I. EXECUTIVE SUMMARY

Rajwinder and Bobby Bal (“The Applicants”), representing Canna Mart, LLC (“The Owner”) is requesting a Development Agreement and Conditional Use Permit to allow for a commercial cannabis dispensary to be constructed at 2667 Patterson Road (Highway 108). The project site has an existing general plan land use designation of Community Commercial (CC), and is zoned General Commercial (C-2).

II. BACKGROUND

Starting in 1996, citizens of the State of California approved Proposition 215, the Compassionate Use Act (“CUA”). The CUA was approved to allow Californians with a serious illness to legally possess, use, and cultivate cannabis for medical use under state law.

In addition, in 2003, the legislature of California adopted Senate Bill 420 which entitled the Medical Cannabis program. This program authorized qualified patients and their primary caregivers to cultivate and use cannabis for medical purposes without being subject to criminal prosecution under the state penal code.

On October 9, 2015 Governor Jerry Brown signed three bills into law (Assembly Bill 266, Assembly Bill 243, and Senate Bill 643) which are collectively referred to as the Medical Cannabis Regulation and Safety Act (“MCRSA”). This Act established a statewide regulatory and licensing structure for the cultivation, processing, transporting, testing, and distribution of medical cannabis to qualified patients and their primary caregivers.

On November 8, 2016, the citizens of California approved Proposition 64 (Adult Use of Cannabis). In accordance with Proposition 64, recreational use of cannabis is now legal throughout the state, but reserved the right to police commercial cannabis activity to each local jurisdiction.

Lastly, on August 8, 2017 and August 22, 2017, the Riverbank City Council adopted Ordinance #2017-007, which provides a regulatory structure for commercial cannabis activities in the City of Riverbank ONLY in the **General Commercial (C-2)**, Commercial

– Industrial (CM), Cannery District, Highway Boulevard (HB), Downtown General (DG), Downtown Core (DC), Light industrial (M-1), and Research and Development (R&D) zoning districts. In addition, this ordinance banned all commercial cannabis activities within 600 feet from a school, licensed day care facility, or youth center.

As a part of the regulatory structure established by Ordinance No. 2017-007, an applicant seeking to establish a commercial cannabis business must apply for a Development Agreement and Conditional Use Permit. These entitlements lock-in fees for the applicant, set performance standards with the city, and establish a timeline.

III. PROJECT INFORMATION AND ANALYSIS

Rajwinder and Bobby Bal have been successful retail business owners in Stanislaus County for over 20 years and currently own the four businesses below:

- Doctor's Choice Dispensary, 2039 Yosemite Avenue, Modesto
- Phoenix Market, 127 Phoenix Avenue, Modesto
- Gold Coin Market, 1037 Oakdale Road Suite B, Modesto
- Coldwell Market, Coldwell Avenue, Modesto

In addition to the businesses above, Raj has served since 1998 as Vice President of Bal Product Corporation in Ceres. A letter of support by Modesto Assistant Police Chief Gillespie, submitted with the Planning application states there have been no calls for service since Doctor's Choice Dispensary opened and the Bal family has been very cooperative throughout all their inspections. Another letter of support is from one of their current customers who frequents two of the Bal businesses. She speaks of the kindness and caring that the Bal family shows to her neighborhood. In addition, staff spoke with Steve Mitchell, Modesto Planning Manager, who shared that Raj and Bobby were very responsive to staff comments and great to work with.

Rajwinder and Bobby Bal are proposing to construct a new cannabis dispensary called Canna Mart, to be located at 2667 Patterson Road. The project site is a vacant lot of 13,739 square feet which measures approximately two hundred six (206) feet by sixty-seven (67) feet. The proposed project site is zoned General Commercial (C-2), and therefore is in conformance with Ordinance 2017-007, listed above.

The project site is surrounded by a mix of uses, including commercial and residential uses. The Project site is located mid-block with a residential care facility to the east; Patterson Road, a car wash, a residence, and a trucking company to the south; vehicle repair and a residence to the west; and an alley with residential housing to the north. The proposed project site is not within 600 feet of any school, day care facility, or youth center.

The Applicants are proposing to construct a cannabis dispensary with retail delivery in a new building which will require future Architecture and Site Plan Review by the Planning

Commission if approvals are obtained for a Development Agreement (DA) and Conditional Use Permit (CUP). In anticipation of a positive outcome, the applicants have submitted concept site and floor plans to city staff for preapplication review comments towards a formal application submittal. Their hope is to construct a building they can be proud of and spur revitalization in the surrounding area. The submittal and approval of landscape and irrigation plans is a condition of project approval.

Canna Mart plans to be open from 9:00 am to 10:00 pm daily and will employ approximately 15 employees. The business will feature a waiting room, security office, manager and employee offices, sales area, and storage. Security will be provided by Aztlan Security Services, Inc. of Upland California using only licensed California Bureau of Security and Investigative Services (BSIS) guards. Very detailed security plans have been submitted and reviewed by staff.

III. ANALYSIS:

Development Agreement -

Canna Mart, LLC. seeks to enter into a development agreement (Attachment 2) with the City for the purpose of operating a commercial cannabis dispensary called Canna Mart. Canna Mart, LLC owns and proposes to operate Canna Mart at that certain real property located at 2667 Patterson Road in the City of Riverbank, Assessor's Parcel Number 075-009-053. Staff provided a draft copy of a development agreement based on Flavor's DA to the applicants to review. They signed the draft and submitted it with their application.

The major elements of the development agreement are summarized below:

- The term of the agreement is three (3) years.
- Canna Mart proposes the operation of a medicinal and adult use cannabis dispensary business.
- Canna Mart plans to construct a new approximately 5,100 sf building on an existing vacant lot.
- The project would provide Canna Mart with substantial private benefits that will place burdens upon City infrastructure, services, and neighborhoods. Canna Mart seeks to offset these impacts through a monthly payment classified as a "Public Benefit" amount. The Public Benefit is designed and intended to offset or mitigate any potential impacts of the project on the community.
- Canna Mart will pay to the City a Public Benefit of:
 - \$10,000 or five percent (5%) of gross receipts from operations, whichever is greater, each month for the first six (6) months following the occupancy of the new building;
 - \$15,000 or five percent (5%) of gross receipts from operations, whichever is higher, for months seven (7) through twelve (12); and

- \$20,000 or five percent (5%) of gross receipts from operations, whichever is higher, for each month thereafter through the end of the term of the development agreement.

In accordance with Government Code section 65864 *et seq*, the City Council must find that the Development Agreement:

- Is consistent with the objectives, policies, general land uses, and programs specified in the Riverbank General Plan and any applicable specific plan. *The Project has been found to be consistent with the General Plan policy listed below:*
 - *Policy LAND-4.2: The City will encourage the revitalization of existing commercial areas through flexible development standards, public investment, property assemblage, incentives, streamlined entitlement processes, catalyst projects, public-private partnerships, and other means.*
- Will not be detrimental to the health, safety, and general welfare of persons residing in the immediate area nor detrimental to the general welfare of the residents of the City as a whole. *A security plan has been submitted which will ensure that Canna Mart's activities will not be detrimental to the health, safety, and general welfare of residents within the neighborhood and within the City.*
- Will not adversely affect the orderly development of property or the preservation of property values. *Since Canna Mart is constructing a new commercial building on a property that has been vacant for some time, it can be seen with certainty that the project will not adversely affect the orderly development of the property or the preservation of property values. In fact, the redevelopment of this property could help spur redevelopment on neighboring properties on Patterson Road.*
- Is consistent with the provisions of Government Code sections 65864 through 65869.5. *The project is consistent with the provisions of Government Code sections 65864 through 65869.5 in that a Development Agreement will provide assurance to the applicant that upon approval of the project, the applicant may proceed with the project under existing codes*

and policies and that the project is not located in an area with a local coastal program.

- Contains a legal description of the property. *The Development Agreement contains Exhibit A, a legal description of the property.*

Conditional Use Permit -

A Conditional Use Permit must be obtained pursuant to the Development Agreement. Planning Commission Resolution No. 2020-005 contains conditions of approval with which the business must comply. Besides compliance with all regulations and code requirements of both the City and the State, conditions include hours of construction for the proposed building, exterior lighting conditions, and a hold harmless section.

IV. STRATEGIC GOALS:

The City of Riverbank Strategic Planning Session is a plan and set of goals that Riverbank will work towards for the next three (3) years. The City Council hereby expressly authorizes the City Manager to approve a Minor Amendment to this Agreement, upon notification of the City Council. A Major Amendment to this Agreement shall be approved by the City Council. The City Manager shall, on behalf of City, have sole discretion for City to determine if an amendment is a Minor Amendment or a Major Amendment. Nothing in this Agreement shall be construed as requiring a noticed public hearing, unless required by law.

Section 1.10. Recordation of Development Agreement. The City Clerk shall cause a copy of this Agreement to be recorded against the title of the Site within ten (10) business days of the Effective Date.

Section 1.11. Funding Agreement for Processing Costs. Developer has deposited Twenty Thousand Dollars (\$20,000) with City to pay for the Application, all actual fees and expenses incurred by City that are related to the preparation and processing of this

Agreement, including recording fees, publishing fees, staff time, consultant and attorney fees and costs (collectively, "Processing Costs"), and the first installment of the Public Benefit. The Processing Costs are refundable solely to the extent of non-expended Processing Costs. Developer shall be entitled to a refund of available Processing Costs only after City determines all financial obligations associated with the Project have been received and paid by City.

(a) Apportionment of Processing Costs. If the amount deposited for purposes of Processing Costs is insufficient to cover all Processing Costs, Developer shall deposit with City such additional funds necessary to pay for all Processing Costs within thirty (30) calendar days. The failure to timely pay any such additional amounts requested by City shall be considered a material default of this Agreement and City may terminate this Agreement.

(b) Accounting. Developer may request, and City shall issue within a reasonable time, an accounting and written acknowledgement of Processing Costs paid to City.

ARTICLE 2 DEVELOPMENT OF PROPERTY

Section 2.1. Vested Right of Developer. During the Term, in developing the Site consistent with the Project described herein, Developer is assured that the development rights, obligation terms, and conditions specified in this Agreement, including, without limitation, the terms, conditions, and limitations set forth in the Exhibits, are fully vested in Developer and may not be modified or terminated by City except as set forth in this Agreement or with Developer's written consent.

Section 2.2. Vested Right to Develop. In accordance with Section 2.1, Developer shall have the vested right to develop and use the Project consistent with this Agreement, the Conditional Use Permit, and Subsequent City Approvals.

Section 2.3. Permitted Uses and Development Standards. Developer shall be authorized to develop, construct, and use the Site for Commercial Cannabis Activity consistent with the following license type (the "Authorized License"):

Type 10	Retailer
Type 11	Distribution

Developer shall be permitted to use the Site consistent with the Authorized License for the Term of this Agreement, during the time Developer is applying for the Authorized License with the applicable State Licensing Authority and extending indefinitely thereafter until such time as Developer, and/or its successor in interest, determines to wind up the business of Developer. Notwithstanding the foregoing, Developer is required to apply for and obtain the Authorized License from the State of California. If the State Licensing

Authority does not grant the Authorized License to Developer, Developer shall immediately cease Commercial Cannabis Activity on the Site. Developer shall also, within thirty (30) calendar days of receiving notice from the State Licensing Authority, notify City of the State Licensing Authority's denial or rejection of any license. If the Authorized License is not granted by the State of California, Developer shall immediately cease operations. In this situation, this Agreement shall terminate immediately. The Parties intend for this Agreement and the Conditional Use Permit to serve as the definitive and controlling documents for all subsequent actions, discretionary or ministerial, relating to development of the Site and Project.

Section 2.4. Major Amendment to Permitted Uses. Developer may request to add to the Authorized License additional license types once that license is applied for or obtained from the appropriate State Licensing Authority (the "Additional Licenses").

Section 2.5. Conditional Use Permit. Prior to commencing operation of any Commercial Cannabis Activity on the Site, Developer shall obtain a Conditional Use Permit and any applicable Subsequent City Approvals. Developer shall be required to comply with all provisions of the Riverbank Municipal Code and any City rules and administrative guidelines associated with implementation of the Cannabis Business Pilot Program. Nothing in this Agreement shall be construed as limiting the ability of City to amend the Riverbank Municipal Code or issue rules or administrative guidelines associated with implementation of the Cannabis Business Pilot Program or Developer's obligation to strictly comply with the same.

Section 2.6. Subsequent Entitlements, Approvals, and Permits. Successful implementation of the Project shall require Developer to obtain additional approvals and permits from City and other local and state agencies. City shall comply with CEQA in the administration of all Subsequent City Approvals. In acting upon any Subsequent City Approvals, City's exercise of discretion and permit authority shall conform to this Agreement. Notwithstanding the foregoing, in the course of taking action on the Subsequent City Approvals, City will exercise discretion in adopting mitigation measures as part of the Conditional Use Permit. The exercise of this discretion is not prohibited or limited in any way by this Agreement. Nothing in this Agreement shall preclude the evaluation of impacts or consideration of mitigation measures or alternatives, as required by CEQA.

(a) Contemplated City Rules and Guidelines. City anticipates issuing additional rules and administrative guidelines associated with implementation of the Cannabis Business Pilot Program. City may establish requirements that are identical to or place a higher standard of care as existing provisions of the California Cannabis Laws, State Cannabis Regulations, or any amendments thereto. City reserves the right to adopt additional categories of rules or guidelines that are not listed in this section as part of the Cannabis Business Pilot Program. Developer shall comply with any and all administrative guidelines adopted by City that govern or pertain to the Project.

Section 2.7. Initiatives and Referenda. If any City ordinance, rule or regulation, or addition to the Riverbank Municipal Code is enacted or imposed by a citizen-sponsored initiative or referendum after the Effective Date that would conflict with this Agreement, an associated Conditional Use Permit, Subsequent City Approvals, or reduce the development rights or assurances provided to Developer in this Agreement, such Riverbank Municipal Code changes shall not be applied to the Site or Project; provided, however, the Parties acknowledge that City's approval of this Agreement is a legislative action subject to referendum. City shall cooperate with Developer and shall undertake such reasonable actions as may be appropriate to ensure this Agreement remains in full force and effect and is implemented in accordance with its terms to the fullest extent permitted by state or federal law.

Section 2.8. Regulation by Other Government Entities. Developer acknowledges that City does not have authority or jurisdiction over any other government entities' ability to grant governmental approvals or permits or to impose a moratorium or other limitations that may negatively affect the Project or the ability of City to issue a permit to Developer or comply with the terms of this Agreement. Any moratorium imposed by another government entity, including the State Licensing Authority, on City shall not cause City to be in breach of this Agreement.

Section 2.9. Developer's Right to Rebuild. Developer may renovate portions of the Site any time within the Term of this Agreement consistent with the Riverbank Municipal Code. Any such renovation or rebuild shall be subject to all design, building code, and other requirements imposed on the Project by this Agreement.

Section 2.10. Changes in California Building Standards Codes. Notwithstanding any provision of this Agreement to the contrary, development of the Project shall be subject to changes occurring from time to time to the California Building Standards Codes.

Section 2.11. Changes Mandated by Federal or State Law. The Site and Project shall be subject to subsequently enacted state or federal laws or regulations that may preempt the Riverbank Municipal Code, or mandate the adoption or amendment of local regulations, or are in conflict with this Agreement or local rules or guidelines associated with the Cannabis Business Pilot Program. As provided in Section 65869.5 of the Development Agreement Statute, in the event state or federal laws or regulations enacted after the Effective Date prevent or preclude compliance with one or more provisions of this Agreement, such provisions shall be modified or suspended as may be necessary to comply with such state or federal laws or regulations. Upon discovery of a subsequently enacted federal or state law meeting the requirements of this Section, City or Developer shall provide the other Party with written notice of the state or federal law or regulation, and a written statement of the conflicts thereby raised with the provisions of the Riverbank Municipal Code or this Agreement. Promptly thereafter, City and Developer shall meet and confer in good faith in a reasonable attempt to modify this Agreement, as necessary, to comply with such federal or state law or regulation provided City shall not be obligated

to agree to any modification materially increasing its obligations or materially adversely affecting its rights and benefits hereunder. In such discussions, City and Developer will attempt to preserve the terms of this Agreement and the rights of Developer derived from this Agreement to the maximum feasible extent while resolving the conflict. If City, in its judgment, determines it necessary to modify this Agreement to address such conflict, City shall have the right and responsibility to do so, and shall not have any liability to Developer for doing so or be considered in breach or default of this Agreement. City also agrees to process, in accordance with the provisions of this Agreement, Developer's proposed changes to the Project that are necessary to comply with such federal or state law and that such proposed changes shall be conclusively deemed to be consistent with this Agreement without further need for any amendment to this Agreement.

Section 2.12. Health and Safety Emergencies. In the event that any future public health and safety emergencies arise with respect to the development contemplated by this Agreement, City agrees that it shall attempt, if reasonably possible as determined by City in its discretion, to address such emergency in a way that does not have a material adverse impact on the Project. If City determines, in its discretion, that it is not reasonably possible to so address such health and safety emergency, to select that option for addressing the situation which, in City's discretion, minimizes, so far as reasonably possible, the impact on development and use of the Project in accordance with this Agreement, while still addressing such health and safety emergency in a manner acceptable to City.

ARTICLE 3

ENTITLEMENT AND PERMIT PROCESSING, INSPECTIONS

Section 3.1. Subsequent City Approvals. City shall permit the development, construction, and conditionally permitted use contemplated in this Agreement. City agrees to timely grant, pursuant to the terms of this Agreement, the Riverbank Municipal Code, and any Subsequent City Approvals reasonably necessary to complete the goals, objectives, policies, standards, and plans described in this Agreement. The Subsequent City Approvals shall include any applications, permits, and approvals required to complete the improvements necessary to develop the Site, in general accordance with this Agreement ("Subsequent City Approvals"). Nothing herein shall require City to provide Developer with Subsequent City Approvals prior to, or without complying with, all of the requirements in this Agreement, the Riverbank Municipal Code, and any applicable state law.

Section 3.2. Timely Processing. City shall use its reasonable best efforts to process and approve, within a reasonable time, any Subsequent City Approvals or environmental review requested by Developer during the Term of this Agreement.

Section 3.3. Cooperation between City and Developer. Consistent with the terms set forth herein, City agrees to cooperate with Developer, on a timely basis, in securing all

permits or licenses that may be required by City or any other government entity with permitting or licensing jurisdiction over the Project.

Section 3.4. Further Consistent Discretionary Actions. The exercise of City's authority and independent judgment is recognized under this Agreement, and nothing in this Agreement shall be interpreted as limiting City's discretion or obligation to hold legally required public hearings. Except as otherwise set forth herein, such discretion and action taken by City shall, however, be consistent with the terms of this Agreement and not prevent, hinder or compromise development or use of the Site as contemplated by the Parties in this Agreement.

ARTICLE 4 PUBLIC BENEFIT, PROCESSING, AND OVERSIGHT

Section 4.1. Processing Fees and Charges. Developer shall pay to City those processing, inspection, plan checking, and monitoring fees and charges required by City which are in force and effect at the time those fees and charges are incurred (including any post-Effective Date increases in such fees and charges) for processing applications and requests for building permits, inspections, other permits, approvals and actions, and monitoring compliance with any permits issued or approvals granted or the performance of any conditions (each a "Ministerial Fee" and collectively, the "Ministerial Fees").

Section 4.2. Public Benefit.

(a) The Parties acknowledge and agree that this Agreement confers substantial private benefits upon Developer that will place burdens upon City infrastructure, services, and neighborhoods. Accordingly, the Parties intend to provide consideration to City to offset these impacts that are commensurate with the private benefits conferred on Developer (the "Public Benefit"). In consideration of the foregoing, Developer shall remit to City as follows:

Effective Date	No Public Benefit Due.
First (1 st) Business Day, of the 1 st Month Following Occupancy of the new building and Commencement of the Conditional Use Permit.	\$10,000 or 5% of Gross Receipts from Operations each month, whichever is greater (" <u>Tier 1 Amount</u> ").
1 st Business Day, of the Seventh (7 th) Month Following Occupancy of the new building and Commencement of the Conditional Use Permit.	\$15,000 or 5% of Gross Receipts from Operations each month, whichever is greater (" <u>Tier 2 Amount</u> ").
1 st Business Day, of the Thirteenth (13 th) Month Following Commencement of the Conditional Use Permit Through the End of the Term.	\$20,000 or 5% of Gross Receipts from Operations each month, whichever is greater (" <u>Tier 3 Amount</u> ").

(b) Collectively, these amounts shall be known as the “Public Benefit Amount”.

(c) Developer shall file an applicable statement that complies with the California State Board of Equalization, California Department of Tax and Fee Administration, or either’s successor agency (the “State Taxing Authority”) for sales tax purposes showing the true and correct amount of Gross Receipts from Operations of the Project during the applicable time period. Developer shall provide a copy of such statement to City upon request by City.

Section 4.3. Reporting. Developer shall provide City with copies of any reports provided to a state cannabis licensing agency within forty-five (45) calendar days of that submission.

Any failure or refusal of Developer to provide any statement or report to City, the State Taxing Authority, or any other State Licensing Authority as required within the time required, or to pay such sums due hereunder when the same are due and payable in accordance with the provisions of this Agreement, may constitute full and sufficient grounds for the revocation or suspension of the Conditional Use Permit.

Section 4.4. Records. Developer shall keep records of all Commercial Cannabis Activity in accordance with Chapter 16 (commencing with Section 26160) of Division 10 of the Business and Professions Code and the applicable State Cannabis Regulations. All records required by this Section shall be maintained and made available for City’s examination and duplication (physical or electronic) at the Site or at an alternate facility as approved in writing by the City Manager or his or her designee.

Section 4.5. Penalty. Developer acknowledges that to ensure proper compliance with the terms of this Agreement and any applicable laws, City must engage in costly compliance review, inspections, and, if necessary, enforcement actions to protect the health, safety, and welfare of its residents. Penalty and interest provisions are necessary to assist City in compliance review and enforcement actions. If Developer fails to make any payment when due as required by this Agreement, including the Public Benefit Amount, City may impose a “Non-Performance Penalty.” A Non-Performance Penalty of one percent (1%) shall be applied to all past due payments. City shall deliver to Developer a “Notice of Non-Performance Penalty,” attached hereto as **Exhibit D**. Payment of the Non-Performance Penalty shall be in a single installment due on or before a date fifteen (15) calendar days following delivery of the Notice of Non-Performance Penalty.

Section 4.6. Interest on Unpaid Non-Performance Penalty. If Developer fails to pay the Non-Performance Penalty after City has delivered the Notice of Non-Performance Penalty, then, in addition to the principal amount of the Non-performance Penalty, Developer shall pay City interest at the rate of eighteen percent (18%) per annum,

computed on the principal amount of the Non-Performance Penalty, from a date fifteen (15) calendar days following delivery of the Notice of Non-performance Penalty.

Section 4.7. Protections from City Tax. Notwithstanding Section 4.2, for the Term of this Agreement, Developer shall be exempt from any City tax, including a business license tax, on commercial cannabis businesses. Notwithstanding the foregoing, Developer and the Project shall be subject to any and all taxes, assessments, or similar charges or fees of general applicability enacted by the federal government, state government, or County of Stanislaus, including any tax applicable to an area greater than the City limits to which City may be a party (i.e., county tax sharing agreement). In the event the Public Benefit Amount is invalidated for any reason, Developer shall be subject to any applicable tax on commercial cannabis businesses from the start date of such invalidation through the remaining Term of this Agreement.

ARTICLE 5 PUBLIC FACILITIES, SERVICES, AND UTILITIES

City shall use the Public Benefit Amount to pay for the impact on and maintenance or improvement of City neighborhoods and the existing level of service of City infrastructure and services to accommodate for the Project.

ARTICLE 6 INSURANCE AND INDEMNITY

Section 6.1. Insurance. Developer shall require all persons doing work on the Project, including its contractors and subcontractors (collectively, “Developer” for purposes of this Article 6 only), to obtain and maintain insurance of the types and in the amounts described in this Article with carriers reasonably satisfactory to City.

(a) **General Liability Insurance.** Developer shall maintain commercial general liability insurance or equivalent form with a limit of not less than Two Million Dollars (\$2,000,000) (or as otherwise approved, in writing, by City) per claim and Two Million Dollars (\$2,000,000) each occurrence. Such insurance shall also:

(i) Name City, its elected and appointed councils, boards, commissions, officers, agents, employees, and representatives as “Additional Insureds” by endorsement with respect to performance of this Agreement. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed additional insured.

(ii) Be primary with respect to any insurance or self-insurance programs covering City, its officials, employees, agents, and representatives.

(iii) Contain standard separation of insured provisions.

(b) Automotive Liability Insurance. Developer shall maintain business automobile liability insurance or equivalent form with a limit of not less than One Million Dollars (\$1,000,000) for each accident. Such insurance shall include coverage for owned, hired, and non-owned automobiles. Such insurance shall also:

(i) Name City, its elected and appointed councils, boards, commissions, officers, agents, employees, and representatives as Additional Insureds by endorsement with respect to performance of this Agreement. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed Additional Insureds.

(ii) Be primary with respect to any insurance or self-insurance programs covering City, its officials, employees, agents, and representatives.

(iii) Contain standard separation of insured provisions.

(c) Workers' Compensation Insurance. Developer shall take out and maintain during the Term of this Agreement, workers' compensation insurance for all of Developer's employees employed at or on the Project, and in the case any of the work is subcontracted, Developer shall require any general contractor or subcontractor similarly to provide workers' compensation insurance for such contractor's or subcontractor's employees, unless such employees are covered by the protection afforded by Developer. In case any class of employee engaged in work on the Project is not protected under any workers' compensation law, Developer shall provide and shall cause each contractor and subcontractor to provide adequate insurance for the protection of employees not otherwise protected. Developer hereby indemnifies City for any damage resulting from failure of Developer, its agents, employees, contractors, or subcontractors to take out or maintain such insurance. Workers' compensation insurance with statutory limits and employer's liability insurance with limits of not less than One Million Dollars (\$1,000,000) for each accident shall be maintained.

Section 6.2. Other Insurance Requirements. Developer shall do all of the following:

(a) Prior to taking any actions under this Agreement, furnish City with properly executed certificates of insurance that clearly evidence all insurance required in this Article, including evidence that such insurance will not be canceled, allowed to expire, or be materially reduced in coverage without thirty (30) days prior written notice to City.

(b) Provide to City, upon request, and within seven (7) calendar days of said request, certified copies of endorsements and policies, and properly executed certificates of insurance evidencing the insurance required herein.

(c) Replace or require the replacement of certificates, policies, and endorsements for any insurance required herein expiring prior the termination of this Agreement.

(d) Maintain all insurance required herein from the Effective Date of this Agreement to the earlier of the expiration of the Term or the mutual written termination of this Agreement.

(e) Place all insurance required herein with insurers licensed to do business in California with a current Best's Key Rating Guide reasonably acceptable to City.

Section 6.3. Indemnity. To the fullest extent permitted by law, Developer shall defend, indemnify, and hold harmless City and its agents, elected and appointed officials, officers, employees, consultants, and volunteers (collectively, "City's Agents") from any and all liability arising out of a claim, action, or proceeding against City, or City's Agents, to attack, set aside, void, or annul an approval concerning the Project, this Agreement, any applicable Conditional Use Permit, or Subsequent City Approvals. Developer shall execute the indemnification agreement ("Indemnification Agreement") attached hereto as **Exhibit E**.

Section 6.4. Failure to Indemnify; Waiver. Failure to indemnify City, when required by this Agreement, shall constitute a material breach of this Agreement and of any applicable Conditional Use Permit and Subsequent City Approvals, which shall entitle City to all remedies available under law, including, but not limited to, specific performance and damages. Failure to indemnify shall constitute grounds upon which City may rescind its approval of any applicable Conditional Use Permit. Developer's failure to indemnify City shall be a waiver by Developer of any right to proceed with the Project, or any portion thereof, and a waiver of Developer's right to file a claim, action or proceeding against City or City's Agents based on City's rescission or revocation of any Conditional Use Permit, Subsequent City Approvals, or City's failure to defend any claim, action, or proceeding based on Developer's failure to indemnify City.

Section 6.5. Waiver of Damages. Notwithstanding anything in this Agreement to the contrary, the Parties acknowledge that City would not have entered into this Agreement had it been exposed to liability for damages from Developer and, therefore, Developer hereby waives all claims for damages against City for breach of this Agreement. Developer further acknowledges that under the Development Agreement Statute, land use approvals (including development agreements) must be approved by the City Council and that, under law, the City Council's discretion to vote in any particular way may not be constrained by contract. Developer therefore waives all claims for damages against City in the event that this Agreement or any Project approval is: (1) not approved by the City Council or (2) is approved by the City Council, but with new changes, amendments, conditions, or deletions to which Developer is opposed. Developer further acknowledges that, as an instrument which must be approved by ordinance, a development agreement is subject to referendum; and that, under law, the City Council's discretion to avoid a referendum by rescinding its approval of the underlying ordinance may not be constrained by contract, and Developer waives all claims for damages against City in this regard.

ARTICLE 7 MORTGAGEE PROTECTION

This Agreement, once executed and recorded, shall be superior and senior to any lien placed upon the Site or any portion thereof following recording of this Agreement, including the lien of any deed of trust or mortgage ("Mortgage"). Notwithstanding the foregoing, no breach hereof shall defeat, render invalid, diminish, or impair the lien of any Mortgage made in good faith and for value. This Agreement shall immediately be deemed in default and immediately terminate upon the foreclosure or transfer of any interest in the Site or Project, whether by operation of law or any other method of interest change or transfer, unless the City Manager has authorized such change or transfer in advance, in writing.

ARTICLE 8 DEFAULT

Section 8.1. General Provisions.

(a) Subject only to any extensions of time by mutual consent in writing, or as otherwise provided herein, the failure or delay by any Party to perform in accordance with the terms and provisions of this Agreement shall constitute a default. Any Party alleging a default or breach of this Agreement ("Charging Party") shall give the other Party ("Charged Party") not less than ten (10) calendar days written notice, which shall specify the nature of the alleged default and the manner in which the default may be cured. During any such ten (10) calendar day period, the Charged Party shall not be considered in default for purposes of termination of this Agreement or institution of legal proceedings for the breach of this Agreement.

(b) After expiration of the ten (10) calendar day period, if such default has not been cured or is not in the process of being diligently cured in the manner set forth in the notice, or if the breach cannot reasonably be cured within ten (10) calendar days, the Charging Party may, at its option, institute legal proceedings pursuant to this Agreement, give notice of its intent to terminate this Agreement pursuant to Government Code section 65868. In the event City is the Charging Party, City may, in its sole discretion, give notice, as required by law, to the Charged Party of its intent to revoke or rescind any operable Conditional Use Permit related to or concerning the Project.

(c) Prior to the Charging Party giving notice to the Charged Party of its intent to terminate, or prior to instituting legal proceedings, the matter shall be scheduled for consideration and review by City in the manner set forth in Government Code sections 65865, 65867, and 65868 within thirty (30) calendar days from the expiration of the ten (10) day notice period.

(d) Following consideration of the evidence presented and said review before City, and after providing the Charged Party an additional five (5) calendar day period to

cure, the Charging Party may institute legal proceedings against the Charged Party or may give written notice of termination of this Agreement to the Charged Party.

(e) Evidence of default may arise in the course of a regularly scheduled periodic review of this Agreement pursuant to Government Code section 65865.1, as set forth in Section 8.2. If any Party determines that another Party is in default following the completion of the normally scheduled periodic review, without reference to the procedures specified in Section 8.1(c), said Party may give written notice of termination of this Agreement, specifying in the notice the alleged nature of the default and potential actions to cure said default where appropriate. If the alleged default is not cured in ten (10) calendar days or within such longer period specified in the notice or the defaulting Party is not diligently pursuing a cure or if the breach cannot reasonably be cured within the period or the defaulting party waives its right to cure such alleged default, this Agreement may be terminated by the non-defaulting Party by giving written notice.

(f) In the event Developer is in default under the terms and conditions of this Agreement, no permit application shall be accepted by City nor will any permit be issued to Developer until the default is cured, or the Agreement is terminated.

Section 8.2. Annual Review. City shall, at least every twelve (12) months during the Term of this Agreement, review the extent of good faith, substantial compliance of Developer and City with the terms of this Agreement. Such periodic review by City shall be limited in scope to compliance with the terms of this Agreement pursuant to California Government Code section 65865.1. City shall deposit in the mail or fax to Developer a copy of all staff reports and, to the extent practical, related exhibits concerning this Agreement or the Project's performance, at least seven (7) calendar days prior to such periodic review. Developer shall be entitled to appeal a determination of City or City Manager to the City Council. Any appeal must be filed within ten (10) calendar days of the decision of City or the City Manager, respectively. Developer shall be permitted an opportunity to be heard orally or in writing regarding its performance under this Agreement before City, the City Manager, or City Council, as applicable. The reasonable cost for City's annual review of this Agreement shall be paid by Developer, not to exceed the actual costs incurred by City in connection with the review.

Section 8.3. Estoppel Certificates.

(a) City shall, with at least twenty (20) calendar days prior written notice, execute, acknowledge, and deliver to Developer, Developer's lender, potential investors, or assignees an Estoppel Certificate in writing which certifies that this Agreement is in full force and effect, that there are no breaches or defaults under the Agreement, and that the Agreement has not been modified or terminated and is enforceable in accordance with its terms and conditions.

(b) At Developer's option, City's failure to deliver such Estoppel Certificate within the stated time period shall be conclusive evidence that the Agreement is in full

force and effect, that there are no uncured breaches or defaults in Developer's performance of the Agreement or violation of any City ordinances, regulations, and policies regulating the use and development of the Site or the Project subject to this Agreement.

Section 8.4. Default by City. In the event City does not accept, review, approve, or issue any permits or approvals in a timely fashion, as defined by this Agreement, or if City otherwise defaults under the terms of this Agreement, City agrees that Developer shall not be obligated to proceed with or complete the Project, and shall constitute grounds for termination or cancellation of this Agreement by Developer.

Section 8.5. Cumulative Remedies of Parties. In addition to any other rights or remedies, City or Developer may institute legal or equitable proceedings to cure, correct, or remedy any default, enforce any covenant, or enjoin any threatened or attempted violation of the provisions of this Agreement, so long as any such action conforms to section 9.1(c) of this Agreement.

Section 8.6. Enforced Delay, Extension of Times of Performance. Delays in performance, by either Party, shall not be deemed a default if such delays or defaults are due to war, insurrection, strikes, walkouts, riots, floods, earthquakes, fires, casualties, acts of God, governmental restrictions imposed where mandated by governmental entities other than City, enactment of conflicting state or federal laws or regulations, new or supplementary environmental regulations enacted by the state or federal government, litigation, or other force majeure events. An extension of time for such cause shall be in effect for the period of forced delay or longer, as may be mutually agreed upon.

Section 8.7. Appeals. Developer may appeal any adverse decision or action of City pursuant to Riverbank Municipal Chapter 99.

ARTICLE 9 TERMINATION

Section 9.1. Termination Upon Completion of Development. This Agreement shall terminate upon the expiration of the Term, unless it is terminated earlier pursuant to the terms of this Agreement. Upon termination of this Agreement, City shall record a notice of such termination in substantial conformance with the "Notice of Termination" attached hereto as **Exhibit F**, and this Agreement shall be of no further force or effect except as otherwise set forth in this Agreement.

Section 9.2. Effect of Termination on Developer's Obligations. Termination of this Agreement shall eliminate any further obligation of Developer to comply with this Agreement, or some portion thereof, if such termination relates to only part of the Site or Project. Termination of this Agreement, in whole or in part, shall not, however, eliminate the rights of Developer to seek any applicable and available remedies or damages based upon acts or omissions occurring before termination.

Section 9.3. Effect of Termination on City's Obligations. Termination of this Agreement shall eliminate any further obligation of City to comply with this Agreement, or some portion thereof. Termination of this Agreement shall not, however, eliminate the rights of City to seek any applicable and available remedies or damages based upon acts or omissions occurring before termination.

Section 9.4. Survival After Termination. The rights and obligations of the Parties set forth in this Section 9.4, Section 2.8, Section 6.3, Section 10.3, Section 10.4, Section 10.5, Section 10.7, and any right or obligation of the Parties in this Agreement which, by its express terms or nature and context is intended to survive termination of this Agreement, will survive any such termination.

ARTICLE 10 OTHER GENERAL PROVISIONS

Section 10.1. Assignment and Assumption. Developer shall not have the right to sell, assign, or transfer all or any part of its rights, title, and interests in all or a portion of Site, or Project, subject to or a part of this Agreement, to any person, firm, corporation, or entity during the Term of this Agreement without the advance written consent of the City Manager. This assignment prohibition applies to the corporate and business entities of Developer that are a Party to this Agreement. Any assignment or transfer prohibited by this Agreement will be considered an immediate breach of this Agreement and City may elect to immediately terminate this Agreement. If the City Manager approves an assignment or transfer of any interest detailed in this Section 10.1, City and Developer shall execute an "Assignment and Assumption Agreement" in the form attached hereto as **Exhibit G**.

Section 10.2. Covenants Running with the Land. All of the provisions contained in this Agreement shall be binding upon the Parties and their respective heirs, successors and assigns, representatives, lessees, and all other persons acquiring all or a portion of interest in the Site or Project, whether by operation of law or in any manner whatsoever. All of the provisions contained in this Agreement shall be enforceable as equitable servitudes and shall constitute covenants running with the land pursuant to California law, including California Civil Code Section 1468. Each covenant herein to act or refrain from acting is for the benefit of or a burden upon the Project, as appropriate, runs with the Site, and is binding upon Developer.

Section 10.3. Notices. Any notice or communication required hereunder between City and Developer must be in writing, and may be given either personally, by facsimile (with original forwarded by regular U.S. Mail), by registered or certified mail (return receipt requested), or by Federal Express, UPS or other similar couriers providing overnight delivery. If personally delivered, a notice shall be deemed to have been given when delivered to the Party to whom it is addressed. If given by facsimile transmission, a notice or communication shall be deemed to have been given and received upon actual physical receipt of the entire document by the receiving Party's facsimile machine. Notices

transmitted by facsimile after 5:00 p.m. on a normal business day, or on a Saturday, Sunday, or holiday shall be deemed to have been given and received on the next normal business day. If given by registered or certified mail, such notice or communication shall be deemed to have been given and received on the first to occur of (i) actual receipt by any of the addressees designated below as the party to whom notices are to be sent, or (ii) five (5) days after a registered or certified letter containing such notice, properly addressed, with postage prepaid, is deposited in the United States mail. If given by Federal Express or similar courier, a notice or communication shall be deemed to have been given and received on the date delivered, as shown on a receipt issued by the courier. Any Party hereto may at any time, by giving ten (10) days written notice to the other Party hereto, designate any other address in substitution of the address to which such notice or communication shall be given. Such notices or communications shall be given to the Parties at their addresses set forth below:

Section 10.4. Governing Law and Binding Arbitration. The validity, interpretation, and performance of this Agreement shall be controlled by and construed pursuant to the laws of the State of California. Any dispute, claim, or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation, or validity thereof, including the determination of the scope or applicability of this Agreement to arbitrate, shall be determined by binding arbitration in Sacramento, California, before one arbitrator. The arbitration shall proceed pursuant to the Comprehensive Arbitration Rules and Proceedings of the Judicial Arbitration and Mediation Services. Judgment on the award may be entered in any court having jurisdiction thereof.

Section 10.5. Invalidity of Agreement / Severability. If this Agreement in its entirety is determined by a court to be invalid or unenforceable, this Agreement shall automatically terminate as of the date of final entry of judgment. If any term or provision of this Agreement shall be determined by a court to be invalid and unenforceable, or if any term

or provision of this Agreement is rendered invalid or unenforceable according to the terms of any federal or state statute, any provisions that are not invalid or unenforceable shall continue in full force and effect and shall be construed to give effect to the intent of this Agreement. The Parties expressly agree that each Party is strictly prohibited from failing to perform any and all obligations under this Agreement on the basis that this Agreement is invalid, unenforceable, or illegal. By entering into this Agreement, each Party disclaims any right to tender an affirmative defense in any arbitration or court of competent jurisdiction, that performance under this Agreement is not required because the Agreement is invalid, unenforceable, or illegal.

Section 10.6. Cumulative Remedies. In addition to any other rights or remedies, City and Developer may institute legal or equitable proceedings to cure, correct, or remedy any default, to specifically enforce any covenant or agreement herein, or to enjoin any threatened or attempted violation of the provisions of this Agreement. The prevailing party in any such action shall be entitled to reasonable attorneys' fees and costs. Notwithstanding the foregoing or any other provision of this Agreement, in the event of City default under this Agreement, Developer agree that Developer may not seek, and shall forever waive any right to, monetary damages against City, but excluding therefrom the right to recover any fees or charges paid by Developer in excess of those permitted hereunder.

Section 10.7. Third Party Legal Challenge. In the event any legal action or special proceeding is commenced by any person or entity challenging this Agreement or any associated entitlement, permit, or approval granted by City to Developer for the Project (collectively, "Project Litigation"), the Parties agree to cooperate with each other as set forth herein. City may elect to tender the defense of any lawsuit filed and related in whole or in part to Project Litigation with legal counsel selected by City. Developer will indemnify, hold City harmless from, and defend City from all costs and expenses incurred in the defense of such lawsuit, including, but not limited to, damages, attorneys' fees, and expenses of litigation awarded to the prevailing party or parties in such litigation. Developer shall pay all litigation fees to City, within thirty (30) days of receiving a written request and accounting of such fees and expenses, from City. Notwithstanding the aforementioned, City may request, and Developer will provide to City within seven (7) days of any such request, a deposit to cover City's reasonably anticipated Project Litigation fees and costs.

Section 10.8. Constructive Notice and Acceptance. Every person who after the Effective Date and recording of this Agreement owns or acquires any right, title, or interest to any portion of the Site is and shall be conclusively deemed to have consented and agreed to every provision contained herein, whether or not any reference to this Agreement is contained in the instrument by which such person acquired an interest in the Site, and all rights and interests of such person in the Site shall be subject to the terms, requirements, and provisions of this Agreement.

Section 10.9. Statute of Limitations and Laches. City and Developer agree that each Party will undergo a change in position in detrimental reliance upon this Agreement from the time of its execution and subsequently. The Parties agree that section 65009(c)(1)(D) of the California Government Code, which provides for a ninety (90) day statute of limitations to challenge the adoption of this Agreement, is applicable to this Agreement. In addition, any person who may challenge the validity of this Agreement is hereby put on notice that, should the legality or validity of this Agreement be challenged by any third party in litigation, which is filed and served more than ninety (90) days after the execution of this Agreement, City and Developer shall each assert the affirmative defense of laches with respect to such challenge, in addition to all other available defenses. This Section in no way limits the right of a Party, claiming that the other Party breached the terms of this Agreement, to bring a claim against the other Party within the four (4) year statute of limitations set forth in Section 337 of the California Civil Code.

Section 10.10. Change in State Regulations. In no event shall Developer operate the Project in violation of the Agreement, or State Cannabis Regulations, as many be amended from time to time.

Section 10.11. Standard Terms and Conditions.

(a) **Venue.** Venue for all legal proceedings shall be in the Superior Court of California in and for the County of Stanislaus.

(b) **Waiver.** A waiver by any Party of any breach of any term, covenant, or condition herein contained or a waiver of any right or remedy of such Party available hereunder, at law or in equity, shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, or condition herein contained or of any continued or subsequent right to the same right or remedy. No Party shall be deemed to have made any such waiver unless it is in writing and signed by the Party so waiving.

(c) **Completeness of Instrument.** This Agreement, together with its specific references, attachments, and Exhibits, constitutes all of the agreements, understandings, representations, conditions, warranties, and covenants made by and between the Parties hereto. Unless set forth herein, no Party to this Agreement shall be liable for any representations made, express or implied.

(g) Mandatory and Permissive. “Shall” and “will” and “agrees” are mandatory. “May” or “can” are permissive.

(h) Term Includes Extensions. All references to the Term of this Agreement shall include any extensions of such Term.

(i) Counterparts. This Agreement may be executed simultaneously and in several counterparts, each of which shall be deemed an original, but which together shall constitute one and the same instrument.

(j) Other Documents. The Parties agree that they shall cooperate in good faith to accomplish the objectives of this Agreement and, to that end, agree to execute and deliver such other instruments or documents as may be necessary and convenient to fulfill the purposes and intentions of this Agreement.

(k) Time is of the Essence. Time is of the essence in this Agreement in each covenant, term, and condition herein.

(l) Authority. All Parties to this Agreement warrant and represent that they have the power and authority to enter into this Agreement and the names, titles, and capacities herein stated on behalf of any entities, persons, states, or firms represented or purported to be represented by such entities, persons, states, or firms and that all former requirements necessary or required by state or federal law in order to enter into this Agreement had been fully complied with. Further, by entering into this Agreement, no Party hereto shall have breached the terms or conditions of any other contract or agreement to which such Party is obligated, which such breach would have a material effect hereon.

(m) Document Preparation. This Agreement will not be construed against the Party preparing it, but will be construed as if prepared by all Parties.

(n) Advice of Legal Counsel. Each Party acknowledges that it has reviewed this Agreement with its own legal counsel and, based upon the advice of that counsel, freely entered into this Agreement.

(o) Attorney’s Fees and Costs. If any action at law or in equity, including action for declaratory relief, is brought to enforce or interpret provisions of this Agreement, the prevailing Party shall be entitled to reasonable attorney’s fees and costs, which may be set by the court in the same action or in a separate action brought for that purpose, in addition to any other relief to which such Party may be entitled.

(p) Calculation of Time Periods. All time referenced in this Agreement shall be calendar days, unless the last day falls on a legal holiday, Saturday, or Sunday, in which case the last day shall be the next business day.

E. ADDITIONAL FINANCING TERMS:

F. BALANCE OF DOWN PAYMENT OR PURCHASE PRICE in the amount of \$ 159,000.00
to be deposited with Escrow Holder pursuant to Escrow Holder instructions.

G. PURCHASE PRICE (TOTAL): \$ 160,000.00

H. VERIFICATION OF DOWN PAYMENT AND CLOSING COSTS: Buyer (or Buyer's lender or loan broker pursuant to paragraph 3J(1)) shall, within 3 (or) Days After Acceptance, Deliver to Seller written verification of Buyer's down payment and closing costs. (☐ Verification attached.)

I. APPRAISAL CONTINGENCY AND REMOVAL: This Agreement is (or ☒ is NOT) contingent upon a written appraisal of the Property by a licensed or certified appraiser at no less than the purchase price. Buyer shall, as specified in paragraph 19B(3), in writing, remove the appraisal contingency or cancel this Agreement within 17 (or) Days After Acceptance.

J. LOAN TERMS:

(1) LOAN APPLICATIONS: Within 3 (or) Days After Acceptance, Buyer shall Deliver to Seller a letter from Buyer's lender or loan broker stating that, based on a review of Buyer's written application and credit report, Buyer is prequalified or preapproved for any NEW loan specified in paragraph 3D. If any loan specified in paragraph 3D is an adjustable rate loan, the prequalification or preapproval letter shall be based on the qualifying rate, not the initial loan rate. (☐ Letter attached.)

(2) LOAN CONTINGENCY: Buyer shall act diligently and in good faith to obtain the designated loan(s). Buyer's qualification for the loan(s) specified above is a contingency of this Agreement unless otherwise agreed in writing. If there is no appraisal contingency or the appraisal contingency has been waived or removed, then failure of the Property to appraise at the purchase price does not entitle Buyer to exercise the cancellation right pursuant to the loan contingency if Buyer is otherwise qualified for the specified loan. Buyer's contractual obligations regarding deposit, balance of down payment and closing costs are not contingencies of this Agreement.

(3) LOAN CONTINGENCY REMOVAL:

Within 21 (or) Days After Acceptance, Buyer shall, as specified in paragraph 19, in writing, remove the loan contingency or cancel this Agreement. If there is an appraisal contingency, removal of the loan contingency shall not be deemed removal of the appraisal contingency.

(4) ☐ NO LOAN CONTINGENCY: Obtaining any loan specified above is NOT a contingency of this Agreement. If Buyer does not obtain the loan and as a result Buyer does not purchase the Property, Seller may be entitled to Buyer's deposit or other legal remedies.

(5) LENDER LIMITS ON BUYER CREDITS: Any credit to Buyer, from any source, for closing or other costs that is agreed to by the Parties ("Contractual Credit") shall be disclosed to Buyer's lender. If the total credit allowed by Buyer's lender ("Lender Allowable Credit") is less than the Contractual Credit, then (i) the Contractual Credit shall be reduced to the Lender Allowable Credit, and (ii) in the absence of a separate written agreement between the Parties, there shall be no automatic adjustment to the purchase price to make up for the difference between the Contractual Credit and the Lender Allowable Credit.

K. BUYER STATED FINANCING: Seller is relying on Buyer's representation of the type of financing specified (including but not limited to, as applicable, all cash, amount of down payment, or contingent or non-contingent loan). Seller has agreed to a specific closing date, purchase price and to sell to Buyer in reliance on Buyer's covenant concerning financing. Buyer shall pursue the financing specified in this Agreement. Seller has no obligation to cooperate with Buyer's efforts to obtain any financing other than that specified in the Agreement and the availability of any such alternate financing does not excuse Buyer from the obligation to purchase the Property and close escrow as specified in this Agreement.

L. SELLER FINANCING: The following terms (or ☐ the terms specified in the attached Seller Financing Addendum) (C.A.R. Form SFA) apply ONLY to financing extended by Seller under this Agreement.

(1) BUYER'S CREDIT-WORTHINESS: Buyer authorizes Seller and/or Brokers to obtain, at Buyer's expense, a copy of Buyer's credit report. Within 7 (or) Days After Acceptance, Buyer shall provide any supporting documentation reasonably requested by Seller.

(2) TERMS: Buyer's promissory note, deed of trust and other documents as appropriate shall incorporate and implement the following additional terms: (i) the maximum interest rate specified in paragraph 3D shall be the actual fixed interest rate for Seller financing; (ii) deed of trust shall contain a REQUEST FOR NOTICE OF DEFAULT on senior loans; (iii) Buyer shall sign and pay for a REQUEST FOR NOTICE OF DELINQUENCY prior to Close Of Escrow and at any future time if requested by Seller; (iv) note and deed of trust shall contain an acceleration clause making the loan due, when permitted by law and at Seller's option, upon the sale or transfer of the Property or any interest in it; (v) note shall contain a late charge of 6% of the installment due (or) if the installment is not received within 10 days of the date due; (vi) title insurance coverage in the form of a joint protection policy shall be provided insuring Seller's deed of trust interest in the Property (any increased cost over owner's policy shall be paid by Buyer); and (vii) tax service shall be obtained and paid for by Buyer to notify Seller if property taxes have not been paid.

(3) ADDED, DELETED OR SUBSTITUTED BUYERS: The addition, deletion or substitution of any person or entity under this Agreement or to title prior to Close Of Escrow shall require Seller's written consent. Seller may grant or withhold consent in Seller's sole discretion. Any additional or substituted person or entity shall, if requested by Seller, submit to Seller the same documentation as required for the original named Buyer. Seller and/or Brokers may obtain a credit report, at Buyer's expense, on any such person or entity.

M. ASSUMED OR "SUBJECT TO" FINANCING: Seller represents that Seller is not delinquent on any payments due on any loans. Seller shall, within the time specified in paragraph 19, provide Copies of all applicable notes and deeds of trust, loan balances and current interest rates to Buyer. Impound accounts, if any, shall be assigned and charged to Buyer and credited to Seller. If this is an assumption of a VA Loan, the sale is contingent upon Seller being provided a release of liability and substitution of eligibility, unless otherwise agreed in writing. If the Property is acquired subject to an existing loan, Buyer and Seller are advised to consult with legal counsel regarding the ability of an existing lender to call the loan due, and the consequences thereof.

Escrow Holder shall provide Seller's Statement of Information to Title company when received from Seller. If Seller delivers an affidavit to Escrow Holder to satisfy Seller's FIRPTA obligation under paragraph 12B, Escrow Holder shall deliver to Buyer a Qualified Substitute statement that complies with federal Law.
- C. Compensation instructions can be amended or revoked only with the written consent of Brokers. Buyer and Seller shall release and hold harmless Escrow Holder from any liability resulting from Escrow Holder's payment to Broker(s) of compensation pursuant to this Agreement.

- A. - B. **LIQUIDATED DAMAGES:** If Buyer fails to complete this purchase because of Buyer's default, Seller shall retain, as liquidated damages, the deposit actually paid. Buyer and Seller agree that this amount is a reasonable sum given that it is impractical or extremely difficult to establish the amount of damages that would actually be suffered by Seller in the event Buyer were to breach this Agreement. Release of funds will require mutual, Signed release instructions from both Buyer and Seller, judicial decision or arbitration award. AT TIME OF ANY INCREASED DEPOSIT BUYER AND SELLER SHALL SIGN A SEPARATE LIQUIDATED DAMAGES PROVISION INCORPORATING THE INCREASED DEPOSIT AS LIQUIDATED DAMAGES (C.A.R. FORM RID).

The Parties also agree to mediate any disputes or claims with Broker(s), who, in writing, agree to such mediation prior to, or within a reasonable time after, the dispute or claim is presented to the Broker. The Parties shall have the right to discovery in accordance with Code of Civil Procedure §1283.05. In all other respects, the arbitration shall be conducted in accordance with Title 9 of Part 3 of the Code of Civil Procedure. BUYER'S VACANT LAND ADDITIONAL INSPECTION ADVISORY

(C.A.R. Form BVLIA, 11/13)

Property Address: 2667 Patterson Rd, Riverbank, CA 95367

("Property").

A. IMPORTANCE OF PROPERTY INVESTIGATION: The physical condition of the land and improvements being purchased is not guaranteed by either Seller or Brokers. For this reason, you should conduct thorough investigations of the Property personally and with professionals who should provide written reports of their investigations. A general physical inspection typically does not cover all aspects of the Property nor items affecting the Property that are not physically located on the Property. If the professionals recommend further investigations, including a recommendation by a pest control operator to inspect inaccessible areas of the Property, you should contact qualified experts to conduct such additional investigations. Additionally, some inspections, such as those listed below, may be of particular importance when purchasing vacant land.

B. BUYER RIGHTS AND DUTIES: You have an affirmative duty to exercise reasonable care to protect yourself, including discovery of the legal, practical and technical implications of disclosed facts, and the investigation and verification of information and facts that you know or that are within your diligent attention and observation. The purchase agreement gives you the right to investigate the Property. If you exercise this right, and you should, you must do so in accordance with the terms of that agreement. This is the best way for you to protect yourself. It is extremely important for you to read all written reports provided by professionals and to discuss the results of inspections with the professional who conducted the inspection. You have the right to request that Seller make repairs, corrections or take other action based upon items discovered in your investigations or disclosed by Seller. If Seller is unwilling or unable to satisfy your requests, or you do not want to purchase the Property in its disclosed and discovered condition, you have the right to cancel the agreement if you act within specific time periods. If you do not cancel the agreement in a timely and proper manner, you may be in breach of contract.

C. SELLER RIGHTS AND DUTIES: Seller is required to disclose to you material facts known to him/her that affect the value or desirability of the Property. However, Seller may not be aware of some Property defects or conditions. Seller does not have an obligation to inspect the Property for your benefit nor is Seller obligated to repair, correct or otherwise cure known defects that are disclosed to you or previously unknown defects that are discovered by you or your inspectors during escrow. The purchase agreement obligates Seller to make the Property available to you for investigations.

D. BROKER OBLIGATIONS: Brokers do not have expertise in all areas and therefore cannot advise you on many items, such as soil stability, geologic or environmental conditions, hazardous or illegal controlled substances, structural conditions of the foundation or other improvements, or the condition of the roof, plumbing, heating, air conditioning, electrical, sewer, septic, waste disposal, or other system. The only way to accurately determine the condition of the Property is through an inspection by an appropriate professional selected by you. If Broker gives you referrals to such professionals, Broker does not guarantee their performance. You may select any professional of your choosing. If you have entered into a written agreement with a Broker, the specific terms of that agreement will determine the nature and extent of that Broker's duty to you. **YOU ARE STRONGLY ADVISED TO INVESTIGATE THE CONDITION AND SUITABILITY OF ALL ASPECTS OF THE PROPERTY. IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.**

E. YOU ARE ADVISED TO CONDUCT INVESTIGATIONS OF THE ENTIRE PROPERTY, INCLUDING, BUT NOT LIMITED TO THE FOLLOWING:

- 1. FINANCE:** Financing the purchase of vacant land finance and especially financing construction loans for the improvement of vacant land can provide particular challenges, including subordination agreements and insurance requirements. Buyer is advised to seek the assistance of reputable lenders in assistance with their decisions regarding financing of the property.
- 2. CONSTRUCTION COSTS:** If Buyer is contemplating building improvements on the property, Buyer is advised that they will have to contact directly any contractors, service providers, suppliers, architects, utility companies regarding the costs of improvements. Buyer is advised to get written bids from all such persons regarding their decision to develop the property.
- 3. UTILITIES:** Unimproved property may or may not have utilities available to the property. Buyer(s) is advised to obtain information from the public or private utility provider about the availability and cost of providing utilities to the property and whether necessary easements are in place to allow such utilities to the property.
- 4. ENVIRONMENTAL SURVEY:** Unimproved land may have had or may have hazardous materials stored upon or under the land or been used by persons engaged in activities exposing the land to hazardous materials. The land may also be host to protected vegetation or animal life. Buyer(s) is advised to satisfy themselves as what hazards or protected plant or animal life are on the property and what impact they may have on Buyer's future plans for the property by seeking the help of a qualified professional.

5. **NATURAL HAZARDS REPORTS:** Buyer(s) is advised that while certain disclosures are required by state, federal and local laws, hazard disclosure companies can provide additional disclosures for both natural and man-made hazards or nuisances for a cost. 6. **SUBDIVISION OF THE PROPERTY:** If Buyer's plans include future subdivision of the property (whether under the Subdivision Map Act of the Subdivided Lands Law) multiple, complex issues regarding city, county, state, and federal laws may be presented. (As required by the Civil Code)
(C.A.R. Form AD, Revised 12/18)

☐ (If checked) This form is being provided in connection with a transaction for a leasehold interest exceeding one year as per Civil Code section 2079.13(j), (k) and (l).

When you enter into a discussion with a real estate agent regarding a real estate transaction, you should from the outset understand what type of agency relationship or representation you wish to have with the agent in the transaction.

SELLER'S AGENT

A Seller's agent under a listing agreement with the Seller acts as the agent for the Seller only. A Seller's agent or a subagent of that agent has the following affirmative obligations:

To the Seller: A Fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Seller.

To the Buyer and the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
- (b) A duty of honest and fair dealing and good faith.
- (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties. An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

BUYER'S AGENT

A Buyer's agent can, with a Buyer's consent, agree to act as agent for the Buyer only. In these situations, the agent is not the Seller's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Seller. An agent acting only for a Buyer has the following affirmative obligations:

To the Buyer: A fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Buyer.

To the Buyer and the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
- (b) A duty of honest and fair dealing and good faith.
- (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties. An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

AGENT REPRESENTING BOTH SELLER AND BUYER

A real estate agent, either acting directly or through one or more salespersons and broker associates, can legally be the agent of both the Seller and the Buyer in a transaction, but only with the knowledge and consent of both the Seller and the Buyer.

In a dual agency situation, the agent has the following affirmative obligations to both the Seller and the Buyer:

- (a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either the Seller or the Buyer.
- (b) Other duties to the Seller and the Buyer as stated above in their respective sections.

In representing both Seller and Buyer, a dual agent may not, without the express permission of the respective party, disclose to the other party confidential information, including, but not limited to, facts relating to either the Buyer's or Seller's financial position, motivations, bargaining position, or other personal information that may impact price, including the Seller's willingness to accept a price less than the listing price or the Buyer's willingness to pay a price greater than the price offered.

SELLER AND BUYER RESPONSIBILITIES

Either the purchase agreement or a separate document will contain a confirmation of which agent is representing you and whether that agent is representing you exclusively in the transaction or acting as dual agent. Please pay attention to that confirmation to make sure it accurately reflects your understanding of your agent's role.

The above duties of the agent in a real estate transaction do not relieve a Seller or Buyer from the responsibility to protect his or her own interests. You should carefully read all agreements to assure that they adequately express your understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional.

If you are a Buyer, you have the duty to exercise reasonable care to protect yourself, including as to those facts about the property which are known to you or within your diligent attention and observation.

Both Sellers and Buyers should strongly consider obtaining tax advice from a competent professional because the federal and state tax consequences of a transaction can be complex and subject to change.

Throughout your real property transaction you may receive more than one disclosure form, depending upon the number of agents assisting in the transaction. The law requires each agent with whom you have more than a casual relationship to present you with this disclosure form. You should read its contents each time it is presented to you, considering the relationship between you and the real estate agent in your specific transaction. **This disclosure form includes the provisions of Sections 2079.13 to 2079.24, inclusive, of the Civil Code set forth on page 2. Read it carefully. I/WE ACKNOWLEDGE RECEIPT OF A COPY OF THIS DISCLOSURE AND THE PORTIONS OF THE CIVIL CODE PRINTED ON THE BACK (OR A SEPARATE PAGE):**

CIVIL CODE SECTIONS 2079.13 – 2079.24 (2079.16 APPEARS ON THE FRONT)

2079.13. As used in Sections 2079.7 and 2079.14 to 2079.24, inclusive, the following terms have the following meanings:

(a) "Agent" means a person acting under provisions of Title 9 (commencing with Section 2295) in a real property transaction, and includes a person who is licensed as a real estate broker under Chapter 3 (commencing with Section 10130) of Part 1 of Division 4 of the Business and Professions Code, and under whose license a listing is executed or an offer to purchase is obtained. The agent in the real property transaction bears responsibility for that agent's salespersons or broker associates who perform as agents of the agent. When a salesperson or broker associate owes a duty to any principal, or to any buyer or seller who is not a principal, in a real property transaction, that duty is equivalent to the duty owed to that party by the broker for whom the salesperson or broker associate functions. (b) "Buyer" means a transferee in a real property transaction, and includes a person who executes an offer to purchase real property from a seller through an agent, or who seeks the services of an agent in more than a casual, transitory, or preliminary manner, with the object of entering into a real property transaction. "Buyer" includes vendee or lessee of real property. (c) "Commercial real property" means all real property in the state, except (1) single-family residential real property, (2) dwelling units made subject to Chapter 2 (commencing with Section 1940) of Title 5, (3) a mobilehome, as defined in Section 798.3, (4) vacant land, or (5) a recreational vehicle, as defined in Section 799.29. (d) "Dual agent" means an agent acting, either directly or through a salesperson or broker associate, as agent for both the seller and the buyer in a real property transaction. (e) "Listing agreement" means a written contract between a seller of real property and an agent, by which the agent has been authorized to sell the real property or to find or obtain a buyer, including rendering other services for which a real estate license is required to the seller pursuant to the terms of the agreement. (f) "Seller's agent" means a person who has obtained a listing of real property to act as an agent for compensation. (g) "Listing price" is the amount expressed in dollars specified in the listing for which the seller is willing to sell the real property through the seller's agent. (h) "Offering price" is the amount expressed in dollars specified in an offer to purchase for which the buyer is willing to buy the real property. (i) "Offer to purchase" means a written contract executed by a buyer acting through a buyer's agent that becomes the contract for the sale of the real property upon acceptance by the seller. (j) "Real property" means any estate specified by subdivision (1) or (2) of Section 761 in property, and includes (1) single-family residential property, (2) multiunit residential property with more than four dwelling units, (3) commercial real property, (4) vacant land, (5) a ground lease coupled with improvements, or (6) a manufactured home as defined in Section 18007 of the Health and Safety Code, or a mobilehome as defined in Section 18008 of the Health and Safety Code, when offered for sale or sold through an agent pursuant to the authority contained in Section 10131.6 of the Business and Professions Code. (k) "Real property transaction" means a transaction for the sale of real property in which an agent is retained by a buyer, seller, or both a buyer and seller to act in that transaction, and includes a listing or an offer to purchase. (l) "Sell," "sale," or "sold" refers to a transaction for the transfer of real property from the seller to the buyer and includes exchanges of real property between the seller and buyer, transactions for the creation of a real property sales contract within the meaning of Section 2985, and transactions for the creation of a leasehold exceeding one year's duration. (m) "Seller" means the transferor in a real property transaction and includes an owner who lists real property with an agent, whether or not a transfer results, or who receives an offer to purchase real property of which he or she is the owner from an agent on behalf of another. "Seller" includes both a vendor and a lessor of real property. (n) "Buyer's agent" means an agent who represents a buyer in a real property transaction.

2079.14. A seller's agent and buyer's agent shall provide the seller and buyer in a real property transaction with a copy of the disclosure form specified in Section 2079.16, and shall obtain a signed acknowledgment of receipt from that seller and buyer, except as provided in Section 2079.15, as follows: (a) The seller's agent, if any, shall provide the disclosure form to the seller prior to entering into the listing agreement. (b) The buyer's agent shall provide the disclosure form to the buyer as soon as practicable prior to execution of the buyer's offer to purchase. If the offer to purchase is not prepared by the buyer's agent, the buyer's agent shall present the disclosure form to the buyer not later than the next business day after receiving the offer to purchase from the buyer.

2079.15. In any circumstance in which the seller or buyer refuses to sign an acknowledgment of receipt pursuant to Section 2079.14, the agent shall set forth, sign, and date a written declaration of the facts of the refusal.

2079.16 Reproduced on Page 1 of this AD form.

2079.17(a) As soon as practicable, the buyer's agent shall disclose to the buyer and seller whether the agent is acting in the real property transaction as the buyer's agent, or as a dual agent representing both the buyer and the seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller, the buyer, and the buyer's agent prior to or coincident with execution of that contract by the buyer and the seller, respectively. (b) As soon as practicable, the seller's agent shall disclose to the seller whether the seller's agent is acting in the real property transaction as the seller's agent, or as a dual agent representing both the buyer and seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller and the seller's agent prior to or coincident with the execution of that contract by the seller.

(d) The disclosures and confirmation required by this section shall be in addition to the disclosure required by Section 2079.14. An agent's duty to provide disclosure and confirmation of representation in this section may be performed by a real estate salesperson or broker associate affiliated with that broker.

2079.18 (Repealed pursuant to AB-1289)

2079.19 The payment of compensation or the obligation to pay compensation to an agent by the seller or buyer is not necessarily determinative of a particular agency relationship between an agent and the seller or buyer. A listing agent and a selling agent may agree to share any compensation or commission paid, or any right to any compensation or commission for which an obligation arises as the result of a real estate transaction, and the terms of any such agreement shall not necessarily be determinative of a particular relationship.

2079.20 Nothing in this article prevents an agent from selecting, as a condition of the agent's employment, a specific form of agency relationship not specifically prohibited by this article if the requirements of Section 2079.14 and Section 2079.17 are complied with.

2079.21 (a) A dual agent may not, without the express permission of the seller, disclose to the buyer any confidential information obtained from the seller. (b) A dual agent may not, without the express permission of the buyer, disclose to the seller any confidential information obtained from the buyer. (c) "Confidential information" means facts relating to the client's financial position, motivations, bargaining position, or other personal information that may impact price, such as the seller is willing to accept a price less than the listing price or the buyer is willing to pay a price greater than the price offered. (d) This section does not alter in any way the duty or responsibility of a dual agent to any principal with respect to confidential information other than price.

2079.22 Nothing in this article precludes a seller's agent from also being a buyer's agent. If a seller or buyer in a transaction chooses to not be represented by an agent, that does not, of itself, make that agent a dual agent.

2079.23 A contract between the principal and agent may be modified or altered to change the agency relationship at any time before the performance of the act which is the object of the agency with the written consent of the parties to the agency relationship.

2079.24 Nothing in this article shall be construed to either diminish the duty of disclosure owed buyers and sellers by agents and their associate licensees, subagents, and employees or to relieve agents and their associate licensees, subagents, and employees from liability for their conduct in connection with acts governed by this article or for any breach of a fiduciary duty or a duty of disclosure.

POSSIBLE REPRESENTATION OF MORE THAN ONE BUYER OR SELLER - DISCLOSURE AND CONSENT

(C.A.R. Form PRBS, Revised 12/18)

A real estate broker (Broker), whether a corporation, partnership or sole proprietorship, may represent more than one buyer or seller. This multiple representation can occur through an individual licensed as a broker or salesperson or through different individual broker's or salespersons (associate licensees) acting under the Broker's license. The associate licensees may be working out of the same or different office locations.

Multiple Buyers: Broker (individually or through its associate licensees) may be working with many prospective buyers at the same time. These prospective buyers may have an interest in, and make offers on, the same properties. Some of these properties may be listed with Broker and some may not. Broker will not limit or restrict any particular buyer from making an offer on any particular property whether or not Broker represents other buyers interested in the same property.

Multiple Sellers: Broker (individually or through its associate licensees) may have listings on many properties at the same time. As a result, Broker will attempt to find buyers for each of those listed properties. Some listed properties may appeal to the same prospective buyers. Some properties may attract more prospective buyers than others. Some of these prospective buyers may be represented by Broker and some may not. Broker will market all listed properties to all prospective buyers whether or not Broker has another or other listed properties that may appeal to the same prospective buyers.

Dual Agency: If Seller is represented by Broker, Seller acknowledges that broker may represent prospective buyers of Seller's property and consents to Broker acting as a dual agent for both seller and buyer in that transaction. If Buyer is represented by Broker, buyer acknowledges that Broker may represent sellers of property that Buyer is interested in acquiring and consents to Broker acting as a dual agent for both buyer and seller with regard to that property.

In the event of dual agency, seller and buyer agree that: a dual agent may not, without the express permission of the respective party, disclose to the other party confidential information, including, but not limited to, facts relating to either the buyer's or seller's financial position, motivations, bargaining position, or other personal information that may impact price, including the seller's willingness to accept a price less than the listing price or the buyer's willingness to pay a price greater than the price offered; and except as set forth above, a dual agent is obligated to disclose known facts materially affecting the value or desirability of the Property to both parties.

Offers not necessarily confidential: Buyer is advised that seller or listing agent may disclose the existence, terms, or conditions of buyer's offer unless all parties and their agent have signed a written confidentiality agreement. Whether any such information is actually disclosed depends on many factors, such as current market conditions, the prevailing practice in the real estate community, the listing agent's marketing strategy and the instructions of the seller.

Buyer and seller understand that Broker may represent more than one buyer or more than one seller and even both buyer and seller on the same transaction and consents to such relationships.

Seller and/or Buyer acknowledges reading and understanding this Possible Representation of More Than One Buyer or Seller - Disclosure and Consent and agrees to the agency possibilities disclosed.

**WIRE FRAUD AND ELECTRONIC FUNDS
TRANSFER ADVISORY**
(C.A.R. Form WFA, Revised 12/17)

Property Address: 2667 Patterson Rd, Riverbank, CA 95367

("Property").

WIRE FRAUD AND ELECTRONIC FUNDS TRANSFERS ADVISORY:

The ability to communicate and conduct business electronically is a convenience and reality in nearly all parts of our lives. At the same time, it has provided hackers and scammers new opportunities for their criminal activity. Many businesses have been victimized and the real estate business is no exception.

While wiring or electronically transferring funds is a welcome convenience, we all need to exercise extreme caution. Emails attempting to induce fraudulent wire transfers have been received and have appeared to be legitimate. Reports indicate that some hackers have been able to intercept emailed transfer instructions, obtain account information and, by altering some of the data, redirect the funds to a different account. It also appears that some hackers were able to provide false phone numbers for verifying the wiring or funds transfer instructions. In those cases, the victim called the number provided to confirm the instructions, and then unwittingly authorized a transfer to somewhere or someone other than the intended recipient.

ACCORDINGLY, YOU ARE ADVISED:

1. Obtain phone numbers and account numbers only from Escrow Officers, Property Managers, or Landlords at the beginning of the transaction.
2. DO NOT EVER WIRE OR ELECTRONICALLY TRANSFER FUNDS PRIOR TO CALLING TO CONFIRM THE TRANSFER INSTRUCTIONS. ONLY USE A PHONE NUMBER YOU WERE PROVIDED PREVIOUSLY. Do not use any different phone number or account number included in any emailed transfer instructions.
3. Orally confirm the transfer instruction is legitimate and confirm the bank routing number, account numbers and other codes before taking steps to transfer the funds.
4. Avoid sending personal information in emails or texts. Provide such information in person or over the telephone directly to the Escrow Officer, Property Manager, or Landlord.
5. Take steps to secure the system you are using with your email account. These steps include creating strong passwords, using secure WiFi, and not using free services.

If you believe you have received questionable or suspicious wire or funds transfer instructions, immediately notify your bank, and the other party, and the Escrow Office, Landlord, or Property Manager. The sources below, as well as others, can also provide information:

INDEMNITY AGREEMENT FOR LAND USE ENTITLEMENT PROCESSING

THIS INDEMNITY AGREEMENT FOR LAND USE ENTITLEMENT PROCESSING (“Agreement”) is made and entered into on this ____ day of _____ 20__ (“Effective Date”), by and between the City of Riverbank, a California municipal corporation (“City”), and ELEVATIONS PLUS, LLC, a California limited liability company dba Kolas (“Applicant”). City and Applicant may be referred to herein individually as a “Party” or collectively as the “Parties.” There are no other parties to this Agreement.

RECITALS

A. In 1996, the people of the state of California approved Proposition 215, the Compassionate Use Act of 1996 (“CUA”). The CUA enables seriously ill Californians to legally possess, use, and cultivate marijuana for medical use under state law. In 2003, the California Legislature adopted Senate Bill 420, entitled the Medical Marijuana Program (“MMP”), which authorizes qualified patients and their primary caregivers to cultivate marijuana for medical purposes without being subject to criminal prosecution under the California Penal Code.

B. On October 9, 2015, Governor Jerry Brown signed three bills into law (Assembly Bill 266, Assembly Bill 243, and Senate Bill 643) which are collectively referred to as the Medical Cannabis Regulation and Safety Act (“MCRSA”). MCRSA establishes a statewide regulatory system for the cultivation, processing, transportation, testing, manufacturing, and distribution of medical marijuana to qualified patients and their primary caregivers.

C. On November 8, 2016, California voters passed Proposition 64, the Adult Use of Marijuana Act (“AUMA”). AUMA legalizes the cultivation, commercial sale, and possession of recreational cannabis for adults age 21 and older.

D. On June 27, 2017, Governor Jerry Brown signed into law the Medicinal and Adult-Use Cannabis Regulation and Safety Act (“MAUCRSA”), which created a single regulatory scheme for both medicinal and adult-use cannabis businesses. MAUCRSA retains the provisions in the MCRSA and AUMA that granted local jurisdictions control over whether businesses engaged in commercial cannabis activity may operate in a particular jurisdiction.

E. Riverbank Municipal Code (“R.M.C.”) Chapter 120 authorizes cannabis businesses to operate within the City under specified restrictions pursuant to a Cannabis Pilot Program.

F. Applicant intends to improve, develop, and use real property to operate a cannabis dispensary business within the City (the “Project”) in strict compliance with MAUCRSA and R.M.C. chapter 120. Applicant must obtain certain land use entitlements including a Development Agreement and a Conditional Use Permit (“Land Use Entitlements”) prior to initiating the Project.

G. Applicant has purchased that certain real property located in the City, identified as Stanislaus County Assessor’s Parcel Number 132-004-045-000 (the “Property”), shown on **Exhibit A** attached hereto (“Property Description”).

H. As a condition of approval of the Land Use Entitlements, City has required Applicant to enter into this Agreement.

I. It is in the public interest for City and Applicant to enter into this Agreement, as Applicant will benefit from City’s processing of the Project.

J. Applicant desires to enter into this Agreement to fulfill a condition of approval of the Project, which is a prerequisite for construction of the Project.

AGREEMENT

NOW, THEREFORE, in consideration of the promises, covenants and agreements set forth below, the Parties agree as follows:

Section 1. Recitals. The recitals set forth above (“Recitals”) are true and correct and are hereby incorporated into and made part of this Agreement by this reference. In the event of any inconsistency between the Recitals and Sections 1 through 19 of this Agreement, Sections 1 through 19 shall prevail.

Section 2. Applicant’s Indemnification Obligations.

2.1. Indemnification for Land Use Entitlements. To the fullest extent permitted by law, Applicant shall indemnify, and hold harmless City and its agents, elected and appointed officials, officers, employees, and volunteers (collectively, “City’s Agents”) from any and all liability arising out of a claim, action, or proceeding against City, or City’s Agents, to attack, set aside, void, or annul an approval concerning the Land Use Entitlements by reason of the action or inaction of City, or City’s Agents. Applicant’s duty to indemnify and hold harmless shall not extend to any claim, action, or proceeding arising from the gross negligence or willful misconduct of City, or City’s Agents.

Applicant's obligations under this Agreement to indemnify City shall apply to any claim, lawsuit, or challenge against City brought against the Project, specifically including, but not limited to, any legal challenge based on the California Environmental Quality Act, codified in California Public Resources Code section 21000 et seq.; actions or proceedings brought to challenge the validity of environmental documents prepared in conjunction with the approval of the Project or Land Use Entitlements, or the requirements of any other federal, state, or local laws, including, but not limited to, general plan, specific plan, and zoning requirements.

2.2. Tender of Defense. Upon receiving notice of a claim and pursuant to Article 6 of the Land Use Entitlements, Applicant shall assume the defense of the claim, action, or proceeding through the prompt payment of all attorneys' fees and costs, incurred in good faith and in the exercise of reasonable discretion, of City's counsel in defending such an action. Regardless of whether Applicant chooses to defend City pursuant to Section 6.4 of the Land Use Entitlements, City shall have the absolute and sole authority to control the litigation and make litigation decisions, including, but not limited to, selecting counsel to defend City and settlement or other disposition of the matter.

2.3. Deposit for Costs. Applicant shall make a refundable deposit to City within thirty (30) days of written notification from City ("Cost Deposit"), to cover the estimated fees and costs associated with City's defense of any claim, action, or proceeding. Applicant shall make any and all additional payments to City to replenish the Cost Deposit within thirty (30) days of written notice from City.

2.4. Failure to Indemnify; Waiver. Failure to indemnify City, when required by this Agreement, shall constitute a material breach of this Agreement and of the Land Use Entitlements, which shall entitle City to all remedies available under law including, but not limited to, specific performance and damages. Failure to indemnify shall constitute grounds upon which City may rescind its approval of the Land Use Entitlements. Applicant's failure to indemnify City shall be a waiver by Applicant of any right to proceed with the Project, or any portion thereof, and a waiver of Applicant's right to file a claim, action, or proceeding against City or City's Agents based on City's rescission or revocation of the Land Use Entitlements, or City's failure to defend any claim, action, or proceeding based on Applicant's failure to indemnify City.

2.5. Satisfaction of Judgment. With respect to any claims, demands, acts, causes of action, damages, costs, expenses, settlements, losses, or liabilities which Applicant has indemnified City against, Applicant shall pay and satisfy any judgment, award, settlement, or decree that may be rendered or agreed against City and City's Agents arising out of any final, non-appellable judicial or administrative action.

2.6. Payment of Costs and Fees. Applicant's obligations under this Agreement to defend and indemnify City shall include, but not be limited to, payment of all court costs and attorneys' fees, all litigation-related costs, all costs of any judgments or awards against City, or all settlement costs which arise out of City's processing or approval of the Project.

2.7. Continuing Obligation. Applicant shall be and remain personally obligated to all of the terms of this Agreement, notwithstanding any attempt to assign, delegate, or otherwise transfer all or any of the rights or obligations of this Agreement, and notwithstanding a change in or transfer of developership of the real property upon which the Project is located (or any interest therein). However, Applicant may be released from such obligations if Applicant obtains City's prior written consent to such transfer, which consent shall not be unreasonably withheld.

Section 3. City's Obligations. City shall notify Applicant of any claim, action, or proceeding within ten (10) business days of receiving service of any claim, action, or proceeding. If City fails to notify Applicant of any claim, action, or proceeding, Applicant shall not, thereafter, be responsible to defend, indemnify, or hold City harmless. City shall have and retain, in its sole discretion, the right to not participate in the defense of any claim, action, or proceeding. At its sole discretion, City may participate at its own expense in the defense, but such participation shall not relieve Applicant of any obligation imposed by this Agreement.

Section 4. Notice. Any notice or communication required hereunder between City and Applicant must be in writing and may be given either personally, by facsimile (with original forwarded by regular U.S. Mail), by registered or certified mail (return receipt requested), or by Federal Express, UPS or other similar couriers providing overnight delivery. If personally delivered, a notice shall be deemed to have been given when delivered to the Party to whom it is addressed. If given by facsimile transmission, a notice or communication shall be deemed to have been given and received upon actual physical receipt of the entire document by the receiving Party's facsimile machine. Notices transmitted by facsimile after 5:00 p.m. on a normal business day, or on a Saturday, Sunday or holiday, shall be deemed to have been given and received on the next normal business day.
