RIVERBANK CITY COUNCIL AGENDA ITEM NO. 7.1

SECTION 7: PRESENTATIONS

Meeting Date:	May 11, 2021
Subject:	Proclamation – Mental Health Awareness Month – May 2021
From:	Sean Scully, City Manager
Submitted by:	Gaby Hernandez, Confidential Assistant

RECOMMENDATION

It is recommended that the City Council read the Proclamation for Mental Health Awareness Month – May 2021; and present to Shellie Lamar, Manager for Family Support Network.

SUMMARY

Mental Health Awareness month began in the United States in 1949 and was started by the Mental Health America (MHA) organization (then known as the National Association for Mental Health). During the month of May, MHA, its affiliates and other organizations interested in mental health, conduct a number of activities which are based on a different theme each year. Displaying or wearing the color green (green ribbon) can show others that you care about mental health. It can also be worn in memory of a loved one. The focus of this effort is to promote the importance of good mental health, well-being and stigma reduction within communities, individuals and families. Mental Health Awareness Month is observed by using social media platforms, collaborating with local partners, and events. During the month of May, The Oak Valley Hospital District, Family Support network, having the approval of the city, will be displaying and tying green ribbons with positive messages of hope within the city of Riverbank, in observance of Mental Health Awareness Month. Family Support Network in partnership with Promotores /Community Health Outreach workers play a critical role in promoting community-based health education and prevention, particularly in communities historically underserved by the U.S. healthcare system. Promotores are indigenous to Latino immigrant communities they serve, speak the same language, are intrinsically involved in the host community, and are committed to providing “servicio de Corazon” (heartfelt service).

RIVERBANK CITY COUNCIL AGENDA ITEM NO. 9.1

SECTION 9: PUBLIC HEARING

Meeting Date:	May 11, 2021
Subject:	First Reading by Title Only and Introduction of a Proposed Ordinance Approving a First Amendment to the Development Agreement By And Between The City Of Riverbank and Pacafi Cooperative, Inc., A California Cooperative Corporation Doing Business As Flavors
From:	Sean Scully, City Manager
Submitted by:	Donna M. Kenney, Planning and Building Manager

RECOMMENDATION

The Planning Commission of the City of Riverbank recommends that the City Council adopt an Ordinance to approve the first amendment to the development agreement by and between the City of Riverbank and Pacafi Cooperative, Inc., a California cooperative corporation doing business as Flavors by conducting the public hearing and consider its approval, which initiates the second reading at the regular City Council meeting of May 25, 2021, or soon thereafter to consider its adoption.

BACKGROUND

The City Council adopted Ordinance No. 2017-007 on August 22, 2017, permitting certain types of cannabis businesses in the City and providing zoning restrictions for each type of cannabis use. Ordinance 2017-007 requires each cannabis business applicant execute a development agreement with the City and obtain a conditional use permit prior to conducting commercial cannabis activity.

On January 9, 2018, the City Council adopted Ordinance No. 2018-001 approving a Development Agreement by and between the City of Riverbank ("City") and Pacafi Cooperative, Inc., doing business as Flavors ("Flavors") for the purpose of operating a cannabis dispensary located at 2213 Patterson Road in the City of Riverbank, Assessor's Parcel Number 075-026-044. The term of the Development Agreement expired on February 9, 2021.

DISCUSSION

Flavors wishes to enter into a First Amendment to the Development Agreement (Attachment 2) for a term of three (3) years. The First Amendment would retain the same major elements from the previous agreement, and Flavors would continue to operate a cannabis dispensary with a Type 10 Retail license at the Site.

The primary difference would be an adjustment to the current Public Benefit amount. Operating a cannabis dispensary business provides Flavors with substantial private benefits that will place burdens upon City infrastructure, services, and neighborhoods. Cannabis businesses offset these impacts through a monthly payment classified as a “Public Benefit” amount. The Public Benefit is designed and intended to mitigate any potential impacts of the Project on the community. The First Amendment adjusts the Public Benefit to a fixed amount of Thirty Thousand Dollars (\$30,000) per month (Exhibit A, [redline](#)). The specifics with regard to the amended public benefit amounts were discussed at length by the City Council at February 9th 2021 City Council meeting. During that meeting Council discussed the current state of change with regard to the retail cannabis market compared to when Flavors was originally approved (as one of the first in the County at that time). The Council after some discussion directed staff to move forward with the process of negotiating an amendment to the development agreement with flavors for a new three (3) year term and a fixed public benefit amount of \$30,000 per month.

Staff has prepared an ordinance for City Council approval of the First Amendment. At their regular meeting of April 20, 2021, the Planning Commission with a vote of 5-0 recommended that the City Council adopt the First Amendment (Attachment 3).

STRATEGIC GOALS

The City of Riverbank Strategic Planning Session is a plan and set of goals that Riverbank will work towards for the next three (3) years. The completion of development agreements for cannabis activities is a specific objective. Section 1.5. Project is a Private Undertaking. The Parties agree that the Project is a private development and that City has no interest therein, except as authorized in the exercise of its governmental functions. City shall not for any purpose be considered an agent of Developer or the Project.

Section 1.6. Effective Date of Agreement. This Agreement shall become effective upon the date that the ordinance approving this Agreement becomes effective (the “Effective Date”).

Section 1.7. Term. The “Term” of this Agreement is three (3) years from the Effective Date, unless terminated or extended earlier, as set forth in this Agreement.

(a) Government Tolling or Termination. City may provide written notice to Developer to cease all Commercial Cannabis Activity, upon which Developer shall immediately comply, if City is required, directed, or believes, in its sole and absolute discretion, it must temporarily halt or terminate Commercial Cannabis Activity within the City to comply with federal or state law. If City temporarily halts this Agreement to comply with federal or state law, this Agreement shall be tolled for no longer than one (1) year (the “Tolling Period”). Developer shall not accrue or be liable to City for any Ministerial Fees or Public Benefit Amount during the Tolling Period. Developer shall resume paying any applicable fees after the Tolling Period ends. City and Developer shall discuss in good faith the termination of this Agreement if the Tolling period exceeds one (1) calendar year to comply with federal or state law.

(b) Developer’s Tolling or Termination. Developer may not temporarily halt or terminate this Agreement for any purpose without causing a default of this Agreement, except as otherwise allowed by this Agreement.

Section 1.8. Priority of Enactment. In the event of a conflict between the various land use documents referenced in this Agreement, the Parties agree that the following sequence of approvals establishes the relative priority of the approvals, each approval superior to the approvals listed thereafter: (a) General Plan, (b) Agreement, (d) Conditional Use Permit, and (e) Subsequent City Approvals.

Section 1.9. Amendment of Agreement. This Agreement shall be amended only by mutual consent of the Parties. All amendments shall be in writing. The City Council hereby expressly authorizes the City Manager to approve a Minor Amendment to this Agreement, upon notification of the City Council. A Major Amendment to this Agreement shall be approved by the City Council. The City Manager shall, on behalf of City, have sole discretion for City to determine if an amendment is a Minor Amendment or a Major Amendment. Nothing in this Agreement shall be construed as requiring a noticed public hearing, unless required by law.

Section 1.10. Recordation of Development Agreement. The City Clerk shall cause a copy of this Agreement to be recorded against the title of the Site within ten (10) business days of the Effective Date.

Section 1.11. Funding Agreement for Processing Costs. Developer has deposited Five Thousand Dollars (\$5,000) with City to pay for the Application, all actual fees and expenses incurred by City that are related to the preparation and processing of this Agreement, including recording fees, publishing fees, staff time, consultant and attorney fees and costs (collectively, “Processing Costs”), and the first installment of the Public Benefit. The Processing Costs are refundable solely to the extent of non-expended Processing Costs. Developer shall be entitled to a refund of available Processing Costs

only after City determines all financial obligations associated with the Project have been received and paid by City.

(a) Apportionment of Processing Costs. If the amount deposited for purposes of Processing Costs is insufficient to cover all Processing Costs, Developer shall deposit with City such additional funds necessary to pay for all Processing Costs within thirty (30) calendar days. The failure to timely pay any such additional amounts requested by City shall be considered a material default of this Agreement and City may terminate this Agreement.

(b) Accounting. Developer may request, and City shall issue within a reasonable time, an accounting and written acknowledgement of Processing Costs paid to City.

ARTICLE 2 DEVELOPMENT OF PROPERTY

Section 2.1. Vested Right of Developer. During the Term, in developing the Site consistent with the Project described herein, Developer is assured that the development rights, obligation terms, and conditions specified in this Agreement, including, without limitation, the terms, conditions, and limitations set forth in the Exhibits, are fully vested in Developer and may not be modified or terminated by City except as set forth in this Agreement or with Developer's written consent.

Section 2.2. Vested Right to Develop. In accordance with Section 2.1, Developer shall have the vested right to develop and use the Project consistent with this Agreement, the Conditional Use Permit, and Subsequent City Approvals.

Section 2.3. Permitted Uses and Development Standards. Developer shall be authorized to develop, construct, and use the Site for Commercial Cannabis Activity consistent with the following license type (the "Authorized License"):

Type 10	Retailer
---------	----------

Developer shall be permitted to use the Site consistent with the Authorized License for the Term of this Agreement and during the time Developer is applying for the Authorized License with the applicable State Licensing Authority. Notwithstanding the foregoing, Developer is required to apply for and obtain the Authorized License from the State of California. If the State Licensing Authority does not grant the Authorized License to Developer, Developer shall immediately cease Commercial Cannabis Activity on the Site. Developer shall also, within thirty (30) calendar days of receiving notice from the State Licensing Authority, notify City of the State Licensing Authority's denial or rejection of any license. If the Authorized License is not granted by the State of California, Developer shall immediately cease operations. In this situation, this Agreement shall terminate immediately. The Parties intend for this Agreement and the Conditional Use Permit to

serve as the definitive and controlling documents for all subsequent actions, discretionary or ministerial, relating to development of the Site and Project.

Section 2.4. Major Amendment to Permitted Uses. Developer may request to add to the Authorized License additional license types once that license is applied for or obtained from the appropriate State Licensing Authority (the “Additional Licenses”).

Section 2.5. Conditional Use Permit. Prior to commencing operation of any Commercial Cannabis Activity on the Site, Developer shall obtain a Conditional Use Permit and any applicable Subsequent City Approvals. Developer shall be required to comply with all provisions of the Riverbank Municipal Code and any City rules and administrative guidelines associated with implementation of the Cannabis Business Pilot Program. Nothing in this Agreement shall be construed as limiting the ability of City to amend the Riverbank Municipal Code or issue rules or administrative guidelines associated with implementation of the Cannabis Business Pilot Program or Developer’s obligation to strictly comply with the same.

Section 2.6. Subsequent Entitlements, Approvals, and Permits. Successful implementation of the Project shall require Developer to obtain additional approvals and permits from City and other local and state agencies. City shall comply with CEQA in the administration of all Subsequent City Approvals. In acting upon any Subsequent City Approvals, City’s exercise of discretion and permit authority shall conform to this Agreement. Notwithstanding the foregoing, in the course of taking action on the Subsequent City Approvals, City will exercise discretion in adopting mitigation measures as part of the Conditional Use Permit. The exercise of this discretion is not prohibited or limited in any way by this Agreement. Nothing in this Agreement shall preclude the evaluation of impacts or consideration of mitigation measures or alternatives, as required by CEQA.

(a) Contemplated City Rules and Guidelines. City anticipates issuing additional rules and administrative guidelines associated with implementation of the Cannabis Business Pilot Program. City may establish requirements that are identical to or place a higher standard of care as existing provisions of the California Cannabis Laws, State Cannabis Regulations, or any amendments thereto. City reserves the right to adopt additional categories of rules or guidelines that are not listed in this section as part of the Cannabis Business Pilot Program. Developer shall comply with any and all administrative guidelines adopted by City that govern or pertain to the Project.

Section 2.7. Initiatives and Referenda. If any City ordinance, rule or regulation, or addition to the Riverbank Municipal Code is enacted or imposed by a citizen-sponsored initiative or referendum after the Effective Date that would conflict with this Agreement, an associated Conditional Use Permit, Subsequent City Approvals, or reduce the development rights or assurances provided to Developer in this Agreement, such Riverbank Municipal Code changes shall not be applied to the Site or Project; provided,

however, the Parties acknowledge that City's approval of this Agreement is a legislative action subject to referendum. City shall cooperate with Developer and shall undertake such reasonable actions as may be appropriate to ensure this Agreement remains in full force and effect and is implemented in accordance with its terms to the fullest extent permitted by state or federal law.

Section 2.8. Regulation by Other Government Entities. Developer acknowledges that City does not have authority or jurisdiction over any other government entities' ability to grant governmental approvals or permits or to impose a moratorium or other limitations that may negatively affect the Project or the ability of City to issue a permit to Developer or comply with the terms of this Agreement. Any moratorium imposed by another government entity, including the State Licensing Authority, on City shall not cause City to be in breach of this Agreement.

Section 2.9. Developer's Right to Rebuild. Developer may renovate portions of the Site any time within the Term of this Agreement consistent with the Riverbank Municipal Code. Any such renovation or rebuild shall be subject to all design, building code, and other requirements imposed on the Project by this Agreement.

Section 2.10. Changes in California Building Standards Codes. Notwithstanding any provision of this Agreement to the contrary, development of the Project shall be subject to changes occurring from time to time to the California Building Standards Codes.

Section 2.11. Changes Mandated by Federal or State Law. The Site and Project shall be subject to subsequently enacted state or federal laws or regulations that may preempt the Riverbank Municipal Code, or mandate the adoption or amendment of local regulations, or are in conflict with this Agreement or local rules or guidelines associated with the Cannabis Business Pilot Program. As provided in Section 65869.5 of the Development Agreement Statute, in the event state or federal laws or regulations enacted after the Effective Date prevent or preclude compliance with one or more provisions of this Agreement, such provisions shall be modified or suspended as may be necessary to comply with such state or federal laws or regulations. Upon discovery of a subsequently enacted federal or state law meeting the requirements of this Section, City or Developer shall provide the other Party with written notice of the state or federal law or regulation, and a written statement of the conflicts thereby raised with the provisions of the Riverbank Municipal Code or this Agreement. Promptly thereafter, City and Developer shall meet and confer in good faith in a reasonable attempt to modify this Agreement, as necessary, to comply with such federal or state law or regulation provided City shall not be obligated to agree to any modification materially increasing its obligations or materially adversely affecting its rights and benefits hereunder. In such discussions, City and Developer will attempt to preserve the terms of this Agreement and the rights of Developer derived from this Agreement to the maximum feasible extent while resolving the conflict. If City, in its judgment, determines it necessary to modify this Agreement to address such conflict, City shall have the right and responsibility to do so, and shall not have any liability to Developer

for doing so or be considered in breach or default of this Agreement. City also agrees to process, in accordance with the provisions of this Agreement, Developer's proposed changes to the Project that are necessary to comply with such federal or state law and that such proposed changes shall be conclusively deemed to be consistent with this Agreement without further need for any amendment to this Agreement.

Section 2.12. Health and Safety Emergencies. In the event that any future public health and safety emergencies arise with respect to the development contemplated by this Agreement, City agrees that it shall attempt, if reasonably possible as determined by City in its discretion, to address such emergency in a way that does not have a material adverse impact on the Project. If City determines, in its discretion, that it is not reasonably possible to so address such health and safety emergency, to select that option for addressing the situation which, in City's discretion, minimizes, so far as reasonably possible, the impact on development and use of the Project in accordance with this Agreement, while still addressing such health and safety emergency in a manner acceptable to City.

ARTICLE 3 ENTITLEMENT AND PERMIT PROCESSING, INSPECTIONS

Section 3.1. Subsequent City Approvals. City shall permit the development, construction, and conditionally permitted use contemplated in this Agreement. City agrees to timely grant, pursuant to the terms of this Agreement, the Riverbank Municipal Code, and any Subsequent City Approvals reasonably necessary to complete the goals, objectives, policies, standards, and plans described in this Agreement. The Subsequent City Approvals shall include any applications, permits, and approvals required to complete the improvements necessary to develop the Site, in general accordance with this Agreement ("Subsequent City Approvals"). Nothing herein shall require City to provide Developer with Subsequent City Approvals prior to, or without complying with, all of the requirements in this Agreement, the Riverbank Municipal Code, and any applicable state law.

Section 3.2. Timely Processing. City shall use its reasonable best efforts to process and approve, within a reasonable time, any Subsequent City Approvals or environmental review requested by Developer during the Term of this Agreement.

Section 3.3. Cooperation between City and Developer. Consistent with the terms set forth herein, City agrees to cooperate with Developer, on a timely basis, in securing all permits or licenses that may be required by City or any other government entity with permitting or licensing jurisdiction over the Project.

Section 3.4. Further Consistent Discretionary Actions. The exercise of City's authority and independent judgment is recognized under this Agreement, and nothing in this Agreement shall be interpreted as limiting City's discretion or obligation to hold legally required public hearings. Except as otherwise set forth herein, such discretion and action

taken by City shall, however, be consistent with the terms of this Agreement and not prevent, hinder or compromise development or use of the Site as contemplated by the Parties in this Agreement.

ARTICLE 4

PUBLIC BENEFIT, PROCESSING, AND OVERSIGHT

Section 4.1. Processing Fees and Charges. Developer shall pay to City those processing, inspection, plan checking, and monitoring fees and charges required by City which are in force and effect at the time those fees and charges are incurred (including any post-Effective Date increases in such fees and charges) for processing applications and requests for building permits, inspections, other permits, approvals and actions, and monitoring compliance with any permits issued or approvals granted or the performance of any conditions (each a “Ministerial Fee” and collectively, the “Ministerial Fees”).

Section 4.2. Public Benefit.

(a) The Parties acknowledge and agree that this Agreement confers substantial private benefits upon Developer that will place burdens upon City infrastructure, services, and neighborhoods. Accordingly, the Parties intend to provide consideration to City to offset these impacts that commensurate with the private benefits conferred on Developer (the “Public Benefit”). In consideration of the foregoing, Developer shall remit to City as follows:

<u>Effective Date</u>	<u>No Public Benefit Due.</u>
<u>First (1st) Business Day of each Month until end of Term.</u>	<u>\$30,000 flat fee</u>

(b) Collectively, these amounts shall be known as the “Public Benefit Amount”.

(c) Developer shall file an applicable statement that complies with the California State Board of Equalization, California Department of Tax and Fee Administration, or either’s successor agency (the “State Taxing Authority”) for sales tax purposes showing the true and correct amount of Gross Receipts from Operations of the Project during the applicable time period. Developer shall provide a copy of such statement to City upon request by City.

Section 4.3. Reporting. Developer shall provide City with copies of any reports provided to a state cannabis licensing agency within forty-five (45) calendar days of that submission.

Any failure or refusal of Developer to provide any statement or report to City, the State Taxing Authority, or any other State Licensing Authority as required within the time required, or to pay such sums due hereunder when the same are due and payable in accordance with the provisions of this Agreement, may constitute full and sufficient grounds for the revocation or suspension of the Conditional Use Permit.

Section 4.4. Records. Developer shall keep records of all Commercial Cannabis Activity in accordance with Chapter 16 (commencing with Section 26160) of Division 10 of the Business and Professions Code and the applicable State Cannabis Regulations. All records required by this Section shall be maintained and made available for City's examination and duplication (physical or electronic) at the Site or at an alternate facility as approved in writing by the City Manager or his or her designee.

Section 4.5. Penalty. Developer acknowledges that to ensure proper compliance with the terms of this Agreement and any applicable laws, City must engage in costly compliance review, inspections, and, if necessary, enforcement actions to protect the health, safety, and welfare of its residents. Penalty and interest provisions are necessary to assist City in compliance review and enforcement actions. If Developer fail to make any payment when due as required by this Agreement, including the Public Benefit Amount, City may impose a "Non-Performance Penalty." A Non-Performance Penalty of one percent (1%) shall be applied to all past due payments. City shall deliver to Developer a "Notice of Non-Performance Penalty," attached hereto as **Exhibit D**. Payment of the Non-Performance Penalty shall be in a single installment due on or before a date fifteen (15) calendar days following delivery of the Notice of Non-Performance Penalty.

Section 4.6. Interest on Unpaid Non-Performance Penalty. If Developer fails to pay the Non-Performance Penalty after City has delivered the Notice of Non-Performance Penalty, then, in addition to the principal amount of the Non-performance Penalty, Developer shall pay City interest at the rate of eighteen percent (18%) per annum, computed on the principal amount of the Non-Performance Penalty, from a date fifteen (15) calendar days following delivery of the Notice of Non-performance Penalty.

Section 4.7. Protections from City Tax. Notwithstanding Section 4.2, for the Term of this Agreement, Developer shall be exempt from any City tax, including a business license tax, on commercial cannabis businesses. Notwithstanding the foregoing, Developer and the Project shall be subject to any and all taxes, assessments, or similar charges or fees of general applicability enacted by the federal government, state government, or County of Stanislaus, including any tax applicable to an area greater than the City limits to which City may be a party (i.e., county tax sharing agreement). In the event the Public Benefit Amount is invalidated for any reason, Developer shall be subject to any applicable tax on commercial cannabis businesses from the start date of such invalidation through the remaining Term of this Agreement.

ARTICLE 5

PUBLIC FACILITIES, SERVICES, AND UTILITIES

City shall use the Public Benefit Amount to pay for the impact on and maintenance or improvement of City neighborhoods and the existing level of service of City infrastructure and services to accommodate for the Project.

ARTICLE 6 INSURANCE AND INDEMNITY

Section 6.1. Insurance. Developer shall require all persons doing work on the Project, including its contractors and subcontractors (collectively, “Developer” for purposes of this Article 6 only), to obtain and maintain insurance of the types and in the amounts described in this Article with carriers reasonably satisfactory to City.

(a) General Liability Insurance. Developer shall maintain commercial general liability insurance or equivalent form with a limit of not less than Two Million Dollars (\$2,000,000) (or as otherwise approved, in writing, by City) per claim and Two Million Dollars (\$2,000,000) each occurrence. Such insurance shall also:

(i) Name City, its elected and appointed councils, boards, commissions, officers, agents, employees, and representatives as “Additional Insureds” by endorsement with respect to performance of this Agreement. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed additional insured.

(ii) Be primary with respect to any insurance or self-insurance programs covering City, its officials, employees, agents, and representatives.

(iii) Contain standard separation of insured provisions.

(b) Automotive Liability Insurance. Developer shall maintain business automobile liability insurance or equivalent form with a limit of not less than One Million Dollars (\$1,000,000) for each accident. Such insurance shall include coverage for owned, hired, and non-owned automobiles. Such insurance shall also:

(i) Name City, its elected and appointed councils, boards, commissions, officers, agents, employees, and representatives as Additional Insureds by endorsement with respect to performance of this Agreement. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed Additional Insureds.

(ii) Be primary with respect to any insurance or self-insurance programs covering City, its officials, employees, agents, and representatives.

(iii) Contain standard separation of insured provisions.

(c) Workers' Compensation Insurance. Developer shall take out and maintain during the Term of this Agreement, workers' compensation insurance for all of Developer's employees employed at or on the Project, and in the case any of the work is subcontracted, Developer shall require any general contractor or subcontractor similarly to provide workers' compensation insurance for such contractor's or subcontractor's employees, unless such employees are covered by the protection afforded by Developer. In case any class of employee engaged in work on the Project is not protected under any workers' compensation law, Developer shall provide and shall cause each contractor and subcontractor to provide adequate insurance for the protection of employees not otherwise protected. Developer hereby indemnifies City for any damage resulting from failure of Developer, its agents, employees, contractors, or subcontractors to take out or maintain such insurance. Workers' compensation insurance with statutory limits and employer's liability insurance with limits of not less than One Million Dollars (\$1,000,000) for each accident shall be maintained.

Section 6.2. Other Insurance Requirements. Developer shall do all of the following:

(a) Prior to taking any actions under this Agreement, furnish City with properly executed certificates of insurance that clearly evidence all insurance required in this Article, including evidence that such insurance will not be canceled, allowed to expire, or be materially reduced in coverage without thirty (30) days prior written notice to City.

(b) Provide to City, upon request, and within seven (7) calendar days of said request, certified copies of endorsements and policies, and properly executed certificates of insurance evidencing the insurance required herein.

(c) Replace or require the replacement of certificates, policies, and endorsements for any insurance required herein expiring prior the termination of this Agreement.

(d) Maintain all insurance required herein from the Effective Date of this Agreement to the earlier of the expiration of the Term or the mutual written termination of this Agreement.

(e) Place all insurance required herein with insurers licensed to do business in California with a current Best's Key Rating Guide reasonably acceptable to City.

Section 6.3. Indemnity. To the fullest extent permitted by law, Developer shall defend, indemnify, and hold harmless City and its agents, elected and appointed officials, officers, employees, consultants, and volunteers (collectively, "City's Agents") from any and all liability arising out of a claim, action, or proceeding against City, or City's Agents, to attack, set aside, void, or annul an approval concerning the Project, this Agreement, any applicable Conditional Use Permit, or Subsequent City Approvals. Developer shall execute the indemnification agreement ("Indemnification Agreement") attached hereto as **Exhibit E**.

Section 6.4. Failure to Indemnify; Waiver. Failure to indemnify City, when required by this Agreement, shall constitute a material breach of this Agreement and of any applicable Conditional Use Permit and Subsequent City Approvals, which shall entitle City to all remedies available under law, including, but not limited to, specific performance and damages. Failure to indemnify shall constitute grounds upon which City may rescind its approval of any applicable Conditional Use Permit. Developer's failure to indemnify City shall be a waiver by Developer of any right to proceed with the Project, or any portion thereof, and a waiver of Developer's right to file a claim, action or proceeding against City or City's Agents based on City's rescission or revocation of any Conditional Use Permit, Subsequent City Approvals, or City's failure to defend any claim, action, or proceeding based on Developer's failure to indemnify City.

Section 6.5. Waiver of Damages. Notwithstanding anything in this Agreement to the contrary, the Parties acknowledge that City would not have entered into this Agreement had it been exposed to liability for damages from Developer and, therefore, Developer hereby waive all claims for damages against City for breach of this Agreement. Developer further acknowledge that under the Development Agreement Statute, land use approvals (including development agreements) must be approved by the City Council and that, under law, the City Council's discretion to vote in any particular way may not be constrained by contract. Developer therefore waive all claims for damages against City in the event that this Agreement or any Project approval is: (1) not approved by the City Council or (2) is approved by the City Council, but with new changes, amendments, conditions, or deletions to which Developer is opposed. Developer further acknowledge that, as an instrument which must be approved by ordinance, a development agreement is subject to referendum; and that, under law, the City Council's discretion to avoid a referendum by rescinding its approval of the underlying ordinance may not be constrained by contract, and Developer waive all claims for damages against City in this regard.

ARTICLE 7 MORTGAGEE PROTECTION

This Agreement, once executed and recorded, shall be superior and senior to any lien placed upon the Site or any portion thereof following recording of this Agreement, including the lien of any deed of trust or mortgage ("Mortgage"). Notwithstanding the foregoing, no breach hereof shall defeat, render invalid, diminish, or impair the lien of any Mortgage made in good faith and for value. This Agreement shall immediately be deemed in default and immediately terminate upon the foreclosure or transfer of any interest in the Site or Project, whether by operation of law or any other method of interest change or transfer, unless the City Manager has authorized such change or transfer in advance, in writing.

ARTICLE 8 DEFAULT

Section 8.1. General Provisions.

{CW049035.3}

DEVELOPMENT AGREEMENT
CITY OF RIVERBANK

Page 18 of 67

(a) Subject only to any extensions of time by mutual consent in writing, or as otherwise provided herein, the failure or delay by any Party to perform in accordance with the terms and provisions of this Agreement shall constitute a default. Any Party alleging a default or breach of this Agreement ("Charging Party") shall give the other Party ("Charged Party") not less than ten (10) calendar days written notice, which shall specify the nature of the alleged default and the manner in which the default may be cured. During any such ten (10) calendar day period, the Charged Party shall not be considered in default for purposes of termination of this Agreement or institution of legal proceedings for the breach of this Agreement.

(b) After expiration of the ten (10) calendar day period, if such default has not been cured or is not in the process of being diligently cured in the manner set forth in the notice, or if the breach cannot reasonably be cured within ten (10) calendar days, the Charging Party may, at its option, institute legal proceedings pursuant to this Agreement, give notice of its intent to terminate this Agreement pursuant to Government Code section 65868. In the event City is the Charging Party, City may, in its sole discretion, give notice, as required by law, to the Charged Party of its intent to revoke or rescind any operable Conditional Use Permit related to or concerning the Project.

(c) Prior to the Charging Party giving notice to the Charged Party of its intent to terminate, or prior to instituting legal proceedings, the matter shall be scheduled for consideration and review by City in the manner set forth in Government Code sections 65865, 65867, and 65868 within thirty (30) calendar days from the expiration of the ten (10) day notice period.

(d) Following consideration of the evidence presented and said review before City, and after providing the Charged Party an additional five (5) calendar day period to cure, the Charging Party may institute legal proceedings against the Charged Party or may give written notice of termination of this Agreement to the Charged Party.

(e) Evidence of default may arise in the course of a regularly scheduled periodic review of this Agreement pursuant to Government Code section 65865.1, as set forth in Section 8.2. If any Party determines that another Party is in default following the completion of the normally scheduled periodic review, without reference to the procedures specified in Section 8.1(c), said Party may give written notice of termination of this Agreement, specifying in the notice the alleged nature of the default and potential actions to cure said default where appropriate. If the alleged default is not cured in ten (10) calendar days or within such longer period specified in the notice or the defaulting Party is not diligently pursuing a cure or if the breach cannot reasonably be cured within the period or the defaulting party waives its right to cure such alleged default, this Agreement may be terminated by the non-defaulting Party by giving written notice.

(f) In the event Developer is in default under the terms and conditions of this Agreement, no permit application shall be accepted by City nor will any permit be issued to Developer until the default is cured, or the Agreement is terminated.

Section 8.2. Annual Review. City shall, at least every twelve (12) months during the Term of this Agreement, review the extent of good faith, substantial compliance of Developer and City with the terms of this Agreement. Such periodic review by City shall be limited in scope to compliance with the terms of this Agreement pursuant to California Government Code section 65865.1. City shall deposit in the mail or fax to Developer a copy of all staff reports and, to the extent practical, related exhibits concerning this Agreement or the Project's performance, at least seven (7) calendar days prior to such periodic review. Developer shall be entitled to appeal a determination of City or City Manager to the City Council. Any appeal must be filed within ten (10) calendar days of the decision of City or the City Manager, respectively. Developer shall be permitted an opportunity to be heard orally or in writing regarding its performance under this Agreement before City, the City Manager, or City Council, as applicable. The reasonable cost for City's annual review of this Agreement shall be paid by Developer, not to exceed the actual costs incurred by City in connection with the review.

Section 8.3. Estoppel Certificates.

(a) City shall, with at least twenty (20) calendar days prior written notice, execute, acknowledge, and deliver to Developer, Developer's lender, potential investors, or assignees an Estoppel Certificate in writing which certifies that this Agreement is in full force and effect, that there are no breaches or defaults under the Agreement, and that the Agreement has not been modified or terminated and is enforceable in accordance with its terms and conditions.

(b) At Developer's option, City's failure to deliver such Estoppel Certificate within the stated time period shall be conclusive evidence that the Agreement is in full force and effect, that there are no uncured breaches or defaults in Developer's performance of the Agreement or violation of any City ordinances, regulations, and policies regulating the use and development of the Site or the Project subject to this Agreement.

Section 8.4. Default by City. In the event City does not accept, review, approve, or issue any permits or approvals in a timely fashion, as defined by this Agreement, or if City otherwise defaults under the terms of this Agreement, City agrees that Developer shall not be obligated to proceed with or complete the Project, and shall constitute grounds for termination or cancellation of this Agreement by Developer.

Section 8.5. Cumulative Remedies of Parties. In addition to any other rights or remedies, City or Developer may institute legal or equitable proceedings to cure, correct, or remedy any default, enforce any covenant, or enjoin any threatened or attempted violation of the provisions of this Agreement, so long as any such action conforms to section 9.1(c) of this Agreement.

Section 8.6. Enforced Delay, Extension of Times of Performance. Delays in performance, by either Party, shall not be deemed a default if such delays or defaults are

due to war, insurrection, strikes, walkouts, riots, floods, earthquakes, fires, casualties, acts of God, governmental restrictions imposed where mandated by governmental entities other than City, enactment of conflicting state or federal laws or regulations, new or supplementary environmental regulations enacted by the state or federal government, litigation, or other force majeure events. An extension of time for such cause shall be in effect for the period of forced delay or longer, as may be mutually agreed upon.

Section 8.7. Appeals. Developer may appeal any adverse decision or action of City pursuant to Riverbank Municipal Chapter 99.

ARTICLE 9 TERMINATION

Section 9.1. Termination Upon Completion of Development. This Agreement shall terminate upon the expiration of the Term, unless it is terminated earlier pursuant to the terms of this Agreement. Upon termination of this Agreement, City shall record a notice of such termination in substantial conformance with the “Notice of Termination” attached hereto as **Exhibit F**, and this Agreement shall be of no further force or effect except as otherwise set forth in this Agreement.

Section 9.2. Effect of Termination on Developer’s Obligations. Termination of this Agreement shall eliminate any further obligation of Developer to comply with this Agreement, or some portion thereof, if such termination relates to only part of the Site or Project. Termination of this Agreement, in whole or in part, shall not, however, eliminate the rights of Developer to seek any applicable and available remedies or damages based upon acts or omissions occurring before termination.

Section 9.3. Effect of Termination on City’s Obligations. Termination of this Agreement shall eliminate any further obligation of City to comply with this Agreement, or some portion thereof. Termination of this Agreement shall not, however, eliminate the rights of City to seek any applicable and available remedies or damages based upon acts or omissions occurring before termination.

Section 9.4. Survival After Termination. The rights and obligations of the Parties set forth in this Section 9.4, Section 2.8, Section 6.3, Section 10.3, Section 10.4, Section 10.5, Section 10.7, and any right or obligation of the Parties in this Agreement which, by its express terms or nature and context is intended to survive termination of this Agreement, will survive any such termination.

ARTICLE 10 OTHER GENERAL PROVISIONS

Section 10.1. Assignment and Assumption. Developer shall not have the right to sell, assign, or transfer all or any part of its rights, title, and interests in all or a portion of Site, or Project, subject to or a part of this Agreement, to any person, firm, corporation, or entity

Section 10.4. Governing Law and Binding Arbitration. The validity, interpretation, and performance of this Agreement shall be controlled by and construed pursuant to the laws of the State of California. Any dispute, claim, or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation, or validity thereof, including the determination of the scope or applicability of this Agreement to arbitrate, shall be determined by binding arbitration in Sacramento, California, before one arbitrator. The arbitration shall proceed pursuant to the Comprehensive Arbitration Rules and Proceedings of the Judicial Arbitration and Mediation Services. Judgment on the award may be entered in any court having jurisdiction thereof.

Section 10.5. Invalidity of Agreement / Severability. If this Agreement in its entirety is determined by a court to be invalid or unenforceable, this Agreement shall automatically terminate as of the date of final entry of judgment. If any term or provision of this Agreement shall be determined by a court to be invalid and unenforceable, or if any term or provision of this Agreement is rendered invalid or unenforceable according to the terms of any federal or state statute, any provisions that are not invalid or unenforceable shall continue in full force and effect and shall be construed to give effect to the intent of this Agreement. The Parties expressly agree that each Party is strictly prohibited from failing to perform any and all obligations under this Agreement on the basis that this Agreement is invalid, unenforceable, or illegal. By entering into this Agreement, each Party disclaims any right to tender an affirmative defense in any arbitration or court of competent jurisdiction, that performance under this Agreement is not required because the Agreement is invalid, unenforceable, or illegal.

Section 10.6. Cumulative Remedies. In addition to any other rights or remedies, City and Developer may institute legal or equitable proceedings to cure, correct, or remedy

any default, to specifically enforce any covenant or agreement herein, or to enjoin any threatened or attempted violation of the provisions of this Agreement. The prevailing party in any such action shall be entitled to reasonable attorneys' fees and costs. Notwithstanding the foregoing or any other provision of this Agreement, in the event of City default under this Agreement, Developer agree that Developer may not seek, and shall forever waive any right to, monetary damages against City, but excluding therefrom the right to recover any fees or charges paid by Developer in excess of those permitted hereunder.

Section 10.7. Third Party Legal Challenge. In the event any legal action or special proceeding is commenced by any person or entity challenging this Agreement or any associated entitlement, permit, or approval granted by City to Developer for the Project (collectively, "Project Litigation"), the Parties agree to cooperate with each other as set forth herein. City may elect to tender the defense of any lawsuit filed and related in whole or in part to Project Litigation with legal counsel selected by City. Developer will indemnify, hold City harmless from, and defend City from all costs and expenses incurred in the defense of such lawsuit, including, but not limited to, damages, attorneys' fees, and expenses of litigation awarded to the prevailing party or parties in such litigation. Developer shall pay all litigation fees to City, within thirty (30) days of receiving a written request and accounting of such fees and expenses, from City. Notwithstanding the aforementioned, City may request, and Developer will provide to City within seven (7) days of any such request, a deposit to cover City's reasonably anticipated Project Litigation fees and costs.

Section 10.8. Constructive Notice and Acceptance. Every person who after the Effective Date and recording of this Agreement owns or acquires any right, title, or interest to any portion of the Site is and shall be conclusively deemed to have consented and agreed to every provision contained herein, whether or not any reference to this Agreement is contained in the instrument by which such person acquired an interest in the Site, and all rights and interests of such person in the Site shall be subject to the terms, requirements, and provisions of this Agreement.

Section 10.9. Statute of Limitations and Laches. City and Developer agree that each Party will undergo a change in position in detrimental reliance upon this Agreement from the time of its execution and subsequently. The Parties agree that section 65009(c)(1)(D) of the California Government Code, which provides for a ninety (90) day statute of limitations to challenge the adoption of this Agreement, is applicable to this Agreement. In addition, any person who may challenge the validity of this Agreement is hereby put on notice that, should the legality or validity of this Agreement be challenged by any third party in litigation, which is filed and served more than ninety (90) days after the execution of this Agreement, City and Developer shall each assert the affirmative defense of laches with respect to such challenge, in addition to all other available defenses. This Section in no way limits the right of a Party, claiming that the other Party breached the terms of this

Agreement, to bring a claim against the other Party within the four (4) year statute of limitations set forth in Section 337 of the California Civil Code.

Section 10.10. Change in State Regulations. In no event shall Developer operate the Project in violation of the Agreement, or State Cannabis Regulations, as many be amended from time to time.

Section 10.11. Standard Terms and Conditions.

(a) Venue. Venue for all legal proceedings shall be in the Superior Court of California in and for the County of Stanislaus.

(b) Waiver. A waiver by any Party of any breach of any term, covenant, or condition herein contained or a waiver of any right or remedy of such Party available hereunder, at law or in equity, shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, or condition herein contained or of any continued or subsequent right to the same right or remedy. No Party shall be deemed to have made any such waiver unless it is in writing and signed by the Party so waiving.

(c) Completeness of Instrument. This Agreement, together with its specific references, attachments, and Exhibits, constitutes all of the agreements, understandings, representations, conditions, warranties, and covenants made by and between the Parties hereto. Unless set forth herein, no Party to this Agreement shall be liable for any representations made, express or implied.

(d) Supersedes Prior Agreement. It is the intention of the Parties hereto that this Agreement shall supersede any prior agreements, discussions, commitments, or representations, written, electronic, or oral, between the Parties hereto with respect to the Site and the Project.

(e) Captions. The captions of this Agreement are for convenience and reference only and the words contained therein shall in no way be held to explain, modify, amplify, or aid in the interpretation, construction, or meaning of the provisions of this Agreement.

(f) Number and Gender. In this Agreement, the neuter gender includes the feminine and masculine, and the singular includes the plural, and the word "person" includes corporations, partnerships, firms, or associations, wherever the context requires.

(g) Mandatory and Permissive. "Shall" and "will" and "agrees" are mandatory. "May" or "can" are permissive.

(h) Term Includes Extensions. All references to the Term of this Agreement shall include any extensions of such Term.

(i) **Counterparts.** This Agreement may be executed simultaneously and in several counterparts, each of which shall be deemed an original, but which together shall constitute one and the same instrument.

(j) **Other Documents.** The Parties agree that they shall cooperate in good faith to accomplish the objectives of this Agreement and, to that end, agree to execute and deliver such other instruments or documents as may be necessary and convenient to fulfill the purposes and intentions of this Agreement.

(k) **Time is of the Essence.** Time is of the essence in this Agreement in each covenant, term, and condition herein.

(l) **Authority.** All Parties to this Agreement warrant and represent that they have the power and authority to enter into this Agreement and the names, titles, and capacities herein stated on behalf of any entities, persons, states, or firms represented or purported to be represented by such entities, persons, states, or firms and that all former requirements necessary or required by state or federal law in order to enter into this Agreement had been fully complied with. Further, by entering into this Agreement, no Party hereto shall have breached the terms or conditions of any other contract or agreement to which such Party is obligated, which such breach would have a material effect hereon.

(m) **Document Preparation.** This Agreement will not be construed against the Party preparing it, but will be construed as if prepared by all Parties.

(n) **Advice of Legal Counsel.** Each Party acknowledges that it has reviewed this Agreement with its own legal counsel and, based upon the advice of that counsel, freely entered into this Agreement.

(o) **Attorney's Fees and Costs.** If any action at law or in equity, including action for declaratory relief, is brought to enforce or interpret provisions of this Agreement, the prevailing Party shall be entitled to reasonable attorney's fees and costs, which may be set by the court in the same action or in a separate action brought for that purpose, in addition to any other relief to which such Party may be entitled.

(p) **Calculation of Time Periods.** All time referenced in this Agreement shall be calendar days, unless the last day falls on a legal holiday, Saturday, or Sunday, in which case the last day shall be the next business day.

Article 3
PREMISES

The Landlord hereby leases and demises unto the Tenant and the Tenant hereby leases and takes from the Landlord, as of the Effective Date set forth in Article 1 ("Effective Date") for the term, at the rental and upon the covenants and conditions hereinafter set forth, the commercial space located at 2213 Patterson Rd. Riverbank, CA. which is referred to herein as the "premises".

Article 4
TERM

The Lease shall commence on November 1, 2017, and shall continue thereafter during the Lease Term specified in Article 1 hereof, unless sooner terminated, as hereinafter provided in this Lease.

Article 5
MONTHLY RENTAL AMOUNT

The Tenant agrees to pay as rental for the use and occupancy of the premises, at the time and in the manner hereinafter provided, the following sums of money:

A. MONTHLY RENTAL. \$9020.00 as set forth in Article 1 hereof shall be payable each month in advance, on the first day of each month, without setoff or deduction, commencing November 1, 2017.

B. The rental amount shall increase to \$10,020.00 the second year as of November 1, 2018 and continue at that rate through November 1, 2020.

Article 6
LATE CHARGES

Tenant acknowledges that late payment by Tenant to Landlord of rent will cause Landlord to incur costs not contemplated by this Lease, the exact amount of such costs being extremely difficult and impracticable to fix. Such costs include, without limitation, processing and accounting charges, and late charges that may be imposed on Landlord by the terms of any mortgage or trust deed covering the premises. Should any installment of rent of any of the character described in Article 5 above, due from Tenant be not received by Landlord by the fifth (5th) day after such rent is due, Tenant shall pay to Landlord such unpaid amounts and a late charge equal to 6% of the payment amount plus any attorneys fees incurred by Landlord by reason of Tenant's failure to pay such amounts when due, including but not limited to a charge for a 3 day notice if served. The parties agree that this late charge represents a fair and reasonable estimate of the costs that Landlord will incur by reason of the late payment by the Tenant. Acceptance of any late charge shall not constitute a waiver of Tenant's default with respect to the over due amount, or prevent Landlord from exercising any of the other rights and remedies available to Landlord.

All rental and other payments shall be paid by the Tenant to the Landlord at 2908 E. Whitmore Avenue H-216, Ceres, California 95307, or at such other place as may from time to time be designated by landlord in writing at least ten (10) days prior to the next ensuing payment date.

Article 7
POSSESSION AND USE

Possession of the premises shall be delivered to the Tenant free and clear of all tenants and occupants and the rights of either, except those as may be specified herein.

The Tenant shall use the premises solely for the purposes and under the trade name specified in Article 1 herein. The Tenant shall not use or permit the premises to be used for any other purpose or purposes or under any other trade name whatsoever without the written consent of the Landlord first had and obtained.

The Tenant further covenants and agrees that it will not use or suffer or permit any person or persons to use the premises or any part thereof for conducting therein a secondhand store, auction, distress or fire sale, or bankruptcy or going-out-of-business sale, or for any use or purpose in violation of the laws of the United States of America, or the laws, ordinances, regulations and requirements of the State, County and City where the premises are situated, or of other lawful authorities, and that during said term the premises, and every part thereof, shall be kept by the Tenant in a clean and wholesome condition, and Tenant shall not cause any unclean or unwholesome condition, objectionable noises odors or nuisances in the premises and Tenant shall immediately correct, at Tenant's expense, any such condition.

Tenant is responsible to comply with all laws regarding their product. If at any time any part of tenant's business or use of the premises becomes illegal or violates a law or ordinance, Tenant must take every action necessary to comply with the law and failure to do so constitutes a material violation of this lease and is grounds for immediate termination of this lease.

Tenant shall not cook on the premises.

No aerial or antenna shall be erected on the roof or exterior walls of the premises without first obtaining, in each instance, the written consent of Landlord. Any aerial or antenna so installed without such written consent shall be subject to removal without notice at any time.

Article 8
UTILITIES

Tenant agrees, at its own expense, to pay for all utilities used by tenant on the premises from and after the delivery of possession thereof by Landlord. If a separate meter is provided for Tenant for any utilities, it shall be at tenant's expense. Garbage is agreed to be considered a utility expense.

Tenant must have current utilities supplied to the premises at all times. If electricity, water, or gas is disconnected from the premises due to tenants instructions or non-payment or any other tenant caused reason then the failure to pay by the tenant or the disconnection shall be a substantial and material breach and shall be good cause for eviction.

Tenant agrees not to disturb, terminate, interrupt, tamper with, adjust, or disconnect any utility service or meter, or submetering system or device. Violation of this section is a material and substantial breach of this Agreement and shall entitle Landlord to all available remedies under this Agreement including eviction.

In addition to the minimum annual rental specified in Article 1, Tenant shall pay, monthly, in advance, a utility charge to reimburse Landlord for any utilities furnished by Landlord, if any, to the premises.

Landlord shall not be liable in damage or otherwise for any failure or interruption of any utility service being furnished to the premises, and no such failure or interruption shall entitle Tenant to terminate this Lease.

Article 9

INDEMNITY - INSURANCE - WAIVER OR SUBROGATION

This obligation to indemnify shall include attorney's fees and investigation costs and all other reasonable costs, expenses and liabilities from first notice that any claim or demand is to be made or may be made.

The Tenant hereby waives any rights tenant may have against the Landlord on account of any loss or damage occasioned by the Tenant, the tenant's respective property, the premises, tenants, invitees, or other third parties, or its contents or to other portions of the premises, arising from any risk generally covered by fire and extended coverage insurance; and the tenant, on behalf of tenant's insurance companies insuring the property of the Tenant against such loss, waive any right of subrogation that tenant may have against the Landlord. The foregoing waiver of subrogation shall be operative only so long as available in the State where the premises are situated and do not invalidate any such policy.

Tenant further covenants and agrees that from and after the Effective Date, Tenant will carry and maintain, at its sole cost and expense, the following types of insurance, in the amounts specified in the form hereinafter provided for:

**** (i) PUBLIC LIABILITY AND PROPERTY DAMAGE. Bodily injury liability insurance with limits of not less than Three Million Dollars (\$3,000,000.00) combined each occurrence and in the aggregate insuring against any and all liability of the insured with respect to said premises or arising out of the maintenance, use or occupancy thereof. All such bodily injury liability insurance and property damage liability insurance shall specifically insure the performance by Tenant of the indemnity agreement as to liability for injury to or death of persona and injury or damage to property in this Article 9 contained.

(ii) PLATE GLASS. The Tenant shall be responsible for the maintenance of the plate glass on the premises but shall have the option either to insure the risk or self-insure.

(iii) TENANT IMPROVEMENTS. Insurance covering Tenant's leasehold improvements alterations, additions or improvements permitted under Article 11, trade fixtures, equipment (including air conditioning equipment and systems serving the premises), merchandise and personal property from time to time in, on or upon the premises, in an amount not less than eighty percent (80%) of their full replacement cost from time to time during the term of this Lease, providing protection against any peril included within the classification "Fire and Extended Coverage", together with insurance against vandalism and malicious mischief. Any policy proceeds shall be used for the repair or replacement of the property damaged or destroyed.

(iv) POLICY FORM. All policies of insurance provided for herein shall be issued by insurance companies with general policy holder's rating of not less than A and a financial rating of not less than Class X as rated in the most current available "Best's" Insurance Reports, qualified to do business in the State where the premises is situated.

All such policies shall be issued in the names of Landlord and Tenant, and if requested by Landlord, Landlord's mortgagee or beneficiary, which policies shall be for the mutual and joint benefit and protection of the Landlord, Tenant and Landlord's mortgagee or beneficiary, and executed copies of such policies of insurance or certificates thereof shall be delivered to Landlord within ten (10) days after the Effective Date and thereafter, executed copies of renewal policies or certificates thereof shall be delivered to Landlord within thirty (30) days prior to the expiration of the term of each such policy.

All public liability and property damage policies shall contain a provision that the Landlord, although named an insured, shall nevertheless be entitled to recovery under said policies for any loss occasioned to it, its servants, agents and employees by reason of the negligence of the Tenant. As often as any such policy shall expire or terminate, renewal or additional policies shall be procured and maintained by the Tenant in like manner and to like extent. All policies or insurance delivered to the Landlord must contain a provision that the company writing said policy will give to the Landlord twenty (20) days notice in writing in advance of any cancellation or lapse or the effective date of any reduction in the amounts of insurance. All public liability, property damage and other casualty policies shall be written as primary policies, not contributing with or in excess of coverage which the Landlord may carry.

D. Notwithstanding anything to the contrary contained within this Article 9, the Tenant's obligations to carry the insurance provided for herein may be brought within the coverage of a so-called blanket policy or policies of insurance carried and maintained by the Tenant; provided, however, that the insured thereunder as their interests may appear and that the coverage afforded the Landlord will not be reduced or diminished by reason of the use of such blanket policy of insurance, and provided further that the requirements set forth herein are otherwise satisfied. The Tenant agrees to permit the Landlord at all reasonable times to inspect the policies of insurance of the Tenant covering risks upon the premises for which policies or copies thereof are not required to be delivered to the Landlord.

**** E. Landlord shall at all times from and after the Effective Date, maintain in effect a policy or policies of insurance covering the building of which the premises are a part, in an amount not less than eighty percent (80%) of full replacement cost (exclusive of the cost of excavations, foundations and footings) from time to time during the term of this Lease (or the amount of such insurance Landlord's mortgage lender requires Landlord to maintain, whichever is the greater), providing protection against any peril generally included within the classification "Fire and Extended Coverage", together with insurance against rental interruption, sprinkler damage, vandalism and malicious mischief, earthquake, flood or such other protective insurance. Landlord's obligation to carry the insurance provided for herein may be brought within the coverage of any so-called blanket policy or policies of insurance carried and maintained by Landlord, provided that the coverage afforded will not be reduced or diminished by reason of the use of such blanket policy of insurance.

F. Landlord shall be named as an additional insured under said policy.

Article 10 **TENANT'S CONDUCT**

Tenant agrees that it will not at any time during the term of this Lease carry any stock of goods or do anything in or about the premises which will in any way tend to increase the insurance rates upon the building of which the premises are a part. Tenant agrees to pay the landlord forthwith upon demand the amount of any increase in premiums for insurance against loss by fire that may be charged during the term of this Lease on the

amount of insurance to be carried by Landlord on the building of which the premises are a part resulting from the foregoing or from Tenant doing any act in or about said premises which does so increase the insurance rates, whether or not the Landlord shall have consented to such act on the part of Tenant.

If Tenant installs upon the premises any electrical equipment which constitutes an overload of the electrical lines of the premises, Tenant shall at its own expense make whatever changes are necessary to comply with the requirements of the insurance underwriters and any governmental authority having jurisdiction thereover, but nothing herein contained shall be deemed to constitute Landlord's consent to such overloading. Tenant shall, at its own expense, comply with all requirements, including the installation of fire extinguishers or automatic dry chemical extinguishing system, of the insurance underwriters, Insurance Services Office, or any governmental authority having jurisdiction thereover, necessary for the maintenance of reasonable fire and extended coverage insurance of the premises.

Article 11

TENANT'S RIGHT TO MAKE ALTERATIONS

The Tenant accepts the premises in "as is" condition. The Landlord agrees that the Tenant may, at its own expense and after giving Landlord notice in writing of its intention to do so, from time to time during the term hereof, make alterations, additions and changes in and to the interior of the premises (except those of a structural nature) as it may find necessary or convenient for its purposes, provided that the value of the premises is not thereby diminished, and provided, however, that no alterations, additions or changes costing in excess of One Thousand Dollars (\$1,000.00) may be made without first procuring the approval in writing of the Landlord. In addition, no alterations, additions or changes shall be made to any store front, the exterior walls or roof of the premises, nor shall Tenant erect any mezzanine, unless and until the written consent and approval of the Landlord shall first have been obtained.

In no event shall Tenant make or cause to be made any penetration through the roof of the premises without the prior written approval of Landlord. Tenant shall be directly responsible for any and all damages resulting from any violation of the provisions of this Article.

All alterations, additions or changes to be made to the premises which require the approval of the Landlord shall be under the supervision of a competent licensed architect or competent licensed structural engineer and made in accordance with plans and specifications with respect thereto, approved in writing by the Landlord, before the commencement of work. All work with respect to any alterations, additions and changes must be done in a good and workmanlike manner, with all proper permits, and in compliance with all applicable governmental codes, ordinances, regulations and diligently prosecuted to completion to the end that the premises shall at all times be a complete unit except during the period of work. Landlord shall not be required to perform or pay for any work. Upon completion of such work, Tenant shall file for record in the office of the County Recorder where the building is located a Notice of Completion as required or permitted by law. Upon termination of the Tenant's leasehold estate such alterations, additions or changes shall be considered as improvements and shall not be removed by the Tenant but shall become a part of the premises. Any such changes, alterations and improvements shall be performed and done strictly in accordance with the laws and ordinance relating thereto. In performing the work of any such alterations, additions or changes, the Tenant shall have the work performed in such a manner as not to obstruct the access to the premises of any other tenant in the Premises.

In the event that Tenant shall make any permitted alterations, additions or improvements to the premises under the terms and provisions of this, Tenant agrees upon its part to carry such insurance as required by Article 9 covering any such alterations, additions or improvements, it being expressly understood and agreed that none of such alterations, additions or improvements shall be insured by Landlord under any insurance it may carry upon the building of which the premises are a part, no shall Landlord be required under any provisions for reconstruction of the premises to reinstall any such alterations, improvements or additions.

Article 12

MECHANICS' LIEN

The Tenant agrees that it will pay or cause to be paid all costs for work done by it or caused to be done by it on the premises, and the Tenant will keep the premises free and clear of all mechanics' liens and other liens on account of work done for the Tenant or persons claiming under it. The Tenant agrees to and shall indemnify, defend and save the Landlord free and harmless against any and all liability, loss, damage, costs, attorneys' fees and all other expenses on account of claims of lien of laborers or materialmen or others for work performed or materials or supplies furnished for the Tenant or persons claiming under it.

If the Tenant shall desire to contest any claim of lien, it shall furnish the Landlord adequate security of the value or in the amount of the claim, plus estimated costs and interest, or a bond of a responsible corporate surety in such amount conditioned on the discharge of the lien. If a final judgment establishing the validity or existence of a lien for any amount is entered, the Tenant shall pay and satisfy the same at once.

If the Tenant shall be in default paying any charge for which a mechanics' lien claim and suit to foreclose the lien have been filed, and shall not have given the Landlord security to protect the property and the Landlord against such claim of lien, the Landlord may (but shall not be so required to) pay the said claim and any costs, and the amount so paid, together with reasonable attorneys' fees incurred in connection therewith, shall be immediately due and owing from the Tenant to the Landlord, and the Tenant shall pay the same to Landlord with interest at the highest rate allowable under the Usury Laws of the State of California from the dates of the Landlord's payments.

Should any claims of lien be filed against the premises of any action affecting the title to such property be commenced, the party receiving notice of such lien or action shall forthwith give the other party written notice thereof.

The Landlord or its representatives shall have the right to go upon and inspect the premises at all reasonable times and shall have the right to post and keep posted thereon notices of non-responsibility, or such other notices which the Landlord may deem to be proper for the protection of the Landlord's interest in the premises. The Tenant shall, before the commencement of any work which might result in any such lien, give to the Landlord written notice of its intention to do so in sufficient time to enable the posting of such notices.

Article 13

ADVERTISING SIGNS

The Tenant shall not affix or maintain upon the glass panes and supports of the windows (and within 24 inches of any window), doors and the exterior walls of the premises any signs, advertising placards, names, insignia, trademarks, descriptive material or any other such like item or items except such as shall have first

Any trade fixtures, signs (with the exception of Tenant's exterior sign) and other personal property of the Tenant not affixed to the premises shall remain the property of the Tenant and the Landlord agrees that the Tenant shall have the right, provided the Tenant is not in default under the terms of this Lease, at any time, and from time to time, to remove such trade fixtures that are not attached to the premises, and other personal property which it may have stored in the premises. Nothing in this Article contained shall be deemed or construed to permit or allow the Tenant to remove such personal property without the immediate replacement thereof with similar personal property of comparable or better quality, as to render the premises unsuitable for conducting the type of business specified in Article 1.

The Tenant at its own expense shall immediately repair any damage occasioned to the premises by reason of the removal of such trade fixtures and other personal property, and upon the last day of the Lease Term or a date of earlier termination of this Lease, shall leave the premises in a neat and broom-clean condition, free of debris. All trade fixtures, signs and other personal property installed in or attached to the premises by the Tenant must be in new or in good condition when so installed or attached and shall remain with the property when Tenant vacates.

Tenant shall pay, before delinquency, all taxes, assessments, license fees and public charges levied, assessed or imposed upon its business operation, as well as upon the trade fixtures, leasehold improvements, merchandise and other personal property in, on or upon the premises. In the event any such items of property are assessed with property of the Landlord, then, and in such event, such assessment shall be equitably divided between Landlord and Tenant to the end that Tenant shall pay only its equitable proportion of such assessment. Landlord shall determine the basis of prorating any such assessments and such determination shall be binding upon both Landlord and Tenant. - 9 -

concession agreements, change of ownership, mortgage or hypothecate this Lease or the Tenant's interest in and to the premises. Any attempted or purported transfer, assignment, subletting, license or concession agreement, change of ownership, mortgage or hypothecation without the Landlord's written consent shall be void and confer no rights upon any third person.

Without in any way limiting Landlord's right to refuse to give such consent for any other reason or reasons, Landlord reserves the right to refuse to give such consent if in Landlord's reasonable business judgment the quality of merchandising operation is or may be in any way adversely affected during the term of the Lease and/or the financial worth of the proposed new tenant is less than that of the Tenant executing this Lease or of Tenant and Tenant's Guarantor as the case may be. Nothing herein contained shall relieve Tenant or any Guarantor from its covenants and obligations for the term of this Lease.

Tenant agrees to reimburse Landlord for Landlord's reasonable administration and/or attorneys' fees incurred in conjunction with the processing and documentation of any such requested transfer, assignment, subletting, license or concession agreement, change of ownership, mortgage or hypothecation of this Lease or Tenant's interest in and to the premises.

Each transfer, assignment, subletting, license, concession agreement, mortgage or hypothecation to which there has been consent shall be by an instrument in writing in form satisfactory to Landlord, and shall be executed by the transferor, assignor, sublessor, licensor, concessionaire, hypothecator or mortgagor and the transferee, assignee, sublessee, licensee, concessionaire or mortgagee in each instance, as the case may be; and each transferee, assignee, sublessee, licensee, concessionaire or mortgagee shall agree in writing for the benefit of the Landlord herein to assume, to be bound by, and to perform the terms, covenants and conditions of this Lease to be done, kept and performed by the Tenant, including the payment of all amounts due to be come due under this Lease directly to the Landlord. One executed copy of such written instrument shall be delivered to the Landlord. Failure to first obtain in writing Landlord's consent or failure to comply with the provisions of this Article shall operate to prevent any such transfer, assignment, subletting, license, concession agreement or hypothecation from becoming effective.

In the event Tenant shall assign its interest in this Lease, or sublet the premises, with the Landlord's prior written consent, then the minimum monthly rental specified in Article 1 shall be increased, effective as of the date of such assignment or subletting, to the highest of (i) the rentals payable by any such assignee or sublessee pursuant to such assignment or sublease, or (ii) the minimum monthly rental specified in Article 1 increased by an rental increases then in effect. In no event shall the minimum monthly rental, after such assignment or subletting, be less than the minimum monthly rental specified in Article 1, or less than the last prior adjustment pursuant to any rent increases.

In addition to the foregoing, Tenant agrees that in the event Tenant shall assign or sublet its interest in this Lease in accordance with the provisions of this Article, Tenant shall pay to Landlord any and all consideration paid directly or indirectly for such assignment or sublease by Tenant from the assignee or sublessee of Tenant's leasehold interest.

If the Tenant hereunder is a corporation which, under the then current laws of the State where the Premises is situated, is not deemed a public corporation, or is an unincorporated association or partnership, the transfer, assignment or hypothecation of any stock or interest in such corporation, association or partnership in the aggregate in excess of twenty-five percent (25%) shall be deemed an assignment within the meaning and provisions of this Article 15.

Tenant agrees that all garbage, trash and rubbish of the said Tenant shall only be deposited within receptacles approved by Landlord and that there shall be no other trash receptacles permitted to remain outside of the building. Tenant agrees to cause such receptacles to be emptied and trash removed at Landlord's direction, and at Tenant's cost and expense, except if Landlord shall institute, provide, or cause to be provided such services or facilities for the removal of garbage, trash and rubbish.

Article 17

All glass, both exterior and interior, is at the sole risk of Tenant, and any glass broken shall be promptly replaced by Tenant with glass of the same kind, size and quality.

Anything to the contrary notwithstanding contained in this Lease, Landlord shall not in any way be liable to the Tenant for failure to make repairs as herein specifically required of it unless this lease requires the Landlord to make the repairs and the Tenant has previously notified the Landlord, in writing, of the need for such repairs and the Landlord has failed to commence and complete said repairs within a reasonable period of time following receipt of the Tenant's written notification.

If Tenant refuses or neglects to make repairs and/or maintain the premises, or any part thereof, in a manner reasonably satisfactory to Landlord, Landlord shall have the right, upon giving Tenant reasonable written notice of its election to do so, to make such repairs or perform such maintenance on behalf of and for the account of Tenant, and in the event such repairs are for the premises of two or more tenants, Landlord may, at its discretion, make certain prorations of the cost of said repairs to the tenants. IN such event the cost of such work shall be paid by Tenant as additional rent promptly upon receipt of a bill therefor.

As used in this Article the expression "exterior walls" shall be deemed to include store fronts, plate glass, window cases or window frames, or doors or door frames, security grills or similar enclosures. It is understood and agreed that the Landlord shall be under no obligation to make any repairs, alterations, renewals, replacements or improvements to and upon the premises or the mechanical equipment exclusively serving the premises at any time except as in this Lease expressly provided.

Upon any surrender of the premises, the Tenant shall redeliver the premises to the Landlord in

- 11 -

good order, condition (broom-clean) and state of repair, ordinary wear and tear and casualty damages excepted, and excepting such items of repair as may be the Landlord's obligation hereunder. Unless waived by Landlord, in writing, Tenant shall accompany Landlord, or one of Landlord's authorized representatives, on a joint inspection of the Premises prior to such surrender and thereupon, deliver to Landlord the keys to said Premises.

The Tenant agrees to permit the Landlord and its authorized representatives to enter the premises at all times during business hours for the purpose of inspecting the same. The Tenant further covenants and agrees that the Landlord may go upon the premises and make any necessary repairs to the premises and perform any work therein

(i) which may be necessary to comply with any laws, ordinances, rules or regulations of any public authority or of the Insurance Services Office or of any similar body or

(ii) that the Landlord may deem necessary to prevent waste or deterioration in connection with the premises if the Tenant does not make or cause such repairs to be made or performed or cause such work to be performed promptly after receipt of written demand from the Landlord or

(iii) that Landlord may deem necessary to perform construction work incidental to any portion of The premises adjacent to, above or below the premises. Nothing herein contained shall imply any duty on the part of the Landlord to do any such work which under any provision of this Lease the Tenant may be required to do, nor shall it constitute a waiver of Tenant's default in failing to do the same. No exercise by the Landlord of any rights herein reserved shall entitle Tenant to any compensation, damages or abatement of rent from Landlord for any injury or inconvenience occasioned thereby. In the event Landlord makes or causes any such repairs to be made or performed, as provided herein, Tenant shall pay the cost thereof to Landlord, forthwith, as additional rent upon receipt of a bill therefor, except for the work as provided in subparagraph (iii) above which will be at the sole cost and expense of Landlord.

Article 18

BANKRUPTCY--INSOLVENCY

The Tenant agrees that in the event:

(i) all or substantially all of the Tenant's assets are placed in the hands of a receiver or trustee, and receivership or trusteeship continues for a period of thirty (30) days, or

(ii) Tenant makes an assignment for the benefit of creditors or is finally adjudicated a bankrupt, or

(iii) Tenant institutes any proceedings under the Bankruptcy Act as the same now exists or under any amendment thereto which may hereafter be enacted, or under any other act relating to the subject of bankruptcy wherein the Tenant seeks to be adjudicated a bankrupt, or to be discharged of its debts, or to effect a plan of liquidation, composition or reorganization, or should any involuntary proceeding be filed against the Tenant under any such bankruptcy laws, then this Lease and any interest of Tenant in and to the premises shall not become an asset in any of such proceedings and, in any such events and in addition to any and all rights or remedies of the Landlord hereunder or by law provided, it shall be lawful for the Landlord to declare the term hereof ended and to reenter the premises and take possession thereof and remove all persons therefrom, and the Tenant shall have no further claim thereon or hereunder. The provisions of this Article 20 shall also apply to any Guarantor of this Lease.

Article 19

DEFAULT BY TENANT

Should the Tenant at any time be in default hereunder with respect to any rental payments or

- 12 -

other charges payable by the Tenant hereunder, or should the Tenant be in default in the prompt and full performance of any other of its promises, covenants or agreements herein contained; or should the Tenant vacate or abandon the premises; then the Landlord may treat the occurrence of any one or more of the foregoing events as a breach of this Lease, and in addition to any or all other rights or remedies of the Landlord hereunder and by the law provide, it shall be, at the option of the Landlord, without further notice or demand of any kind to Tenant or any other person:

(a) The right of the Landlord to declare the term hereof ended and to reenter the premises and take possession thereof and remove all persons therefrom, and the Tenant shall have no further claim thereon or hereunder; or

(b) The right of the Landlord without declaring this Lease ended to reenter the premises and occupy the whole or any part thereof for an on account of the Tenant and to collect said rent and any other rent that may thereafter become payable.

(c) The right of the Landlord, even though it may have reentered the premises, to thereafter elect to terminate this Lease and all of the rights of the Tenant in or to the premises.

Should the Landlord have reentered the premises under the provisions of subparagraph (b) above, the Landlord shall not be deemed to have terminated this Lease, or the liability of the Tenant to pay rent thereafter to accrue, or its liability for damages under any of the provisions hereof, by any such reentry or by any action in unlawful detainer, or otherwise, to obtain possession of the premises, unless the Landlord shall have notified the Tenant in writing that it has so elected to terminate this Lease, and the Tenant further covenants that the service by the Landlord of any notice pursuant to the unlawful detainer Statutes of California and the surrender of possession pursuant to such notice shall not (unless the Landlord elects to the contrary at the time of or at any time subsequent to the serving of such notices and such election is evidenced by a written notice to the Tenant) be deemed to be a termination of this Lease.

In the event of any entry or taking possession of the premises as aforesaid, the Landlord shall have the right, but not the obligation, to remove therefrom all or any part of the personal property located therein and may place the same in storage at a public warehouse at the expense and risk of the owner or owners thereof.

Should the Landlord elect to terminate this Lease under the provisions of subparagraph (a) or (c) above, the Landlord may recover from the Tenant as damages:

(i) the worth at the time of award of any unpaid rent which had been earned at the time of such termination; plus

(ii) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss Tenant proves could have been reasonably avoided; plus

(iii) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that Tenant proves could be reasonably avoided; plus,

(iv) any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this Lease or which in

the ordinary course of things would be likely to result therefrom, including, but not limited to any costs or expenses incurred by Landlord in maintaining or preserving the premises after such default, preparing the premises for reletting to a new tenant, any repairs or alterations to the premises for such reletting, leasing commissions, or any other costs necessary or appropriate to relet the premises;

(v) at Landlord's election, such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by the laws of the State where the Premises is situated.

As used in subparagraphs (i) and (ii) above, the "worth at the time of award" is computed by allowing interest at the highest rate then allowed, at the time of award, under the Usury Laws of the State of California. As used in subparagraph (iii) above, the "worth at the time of award" is computed by discounting such amount at the discount rate of the Federal Reserve Bank situated nearest to the location of the Premises at the time of award plus one percent (1%).

For all purposes of this Article 21, the term "rent" shall be deemed to be the minimum annual rental and all other sums required to be paid by Tenant pursuant to the terms of this Lease. All such sums, other than the minimum annual rental, shall be computed on the basis of the average monthly amount thereof accruing during the immediately preceding sixty (60) month period, except that if it becomes necessary to compute such rental before such sixty (60) month period has occurred then such rental shall be computed on the basis of the average monthly amount hereof accruing during such shorter period.

In the event of default, all of the Tenant's fixtures, furniture, equipment, improvements, additions, alterations, and other personal property shall remain on the premises and in that event, and continuing during the length of said default, Landlord shall have the right to take the exclusive possession of same and to use same, rent or charge free, until all defaults are cured, or, at its option, at any time during the term of this Lease, to require Tenant to forthwith remove same.

Notwithstanding any other provisions of this Article, the Landlord agrees that if the default complained of, other than for the payment of monies, is of such a nature that the same cannot be rectified or cured within the period requiring such rectification or curing as specified in the written notice relating thereto, then such default shall be deemed to be rectified or cured if the Tenant within such period so notifies Landlord in writing that Tenant has commenced the rectification and curing thereof and shall continue thereafter with all due diligence to cause such rectification and curing and does so complete the same with the use of such diligence as aforesaid.

The remedies given to the landlord in this Article shall be in addition and supplemental to all other rights or remedies which the Landlord may have under the laws then in force, or in equity.

The waiver by Landlord of any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance or rent hereunder by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant or condition of this Lease, or of any right of the Landlord to a forfeiture of the Lease by reason of such breach, regardless of Landlord's knowledge of such preceding breach at the time of acceptance of such rent. No covenant, term or condition of this Lease shall be deemed to have been waived by Landlord unless such waiver be in writing signed by Landlord.

Article 20
EMINENT DOMAIN

In the event the entire premises shall be appropriated or taken under the power of eminent domain by any public or quasi-public authority, this Lease shall terminate and expire as of the date of such taking, and the Tenant shall thereupon be released from any liability thereafter accruing hereunder.

In the event more than twenty-five percent (25%) of the square footage of Floor Area of the premises is taken under the power of eminent domain by any public or quasi-public authority, or if by reason of any appropriation or taking, regardless of the amount so taken, the remainder of the premises is not one undivided parcel of property, either Landlord or Tenant shall have the right to terminate this Lease as of the date Tenant is required vacate a portion of the premises, upon giving notice in writing of such election within thirty (30) days after receipt by the Tenant from the Landlord of written notice that said premises have been so appropriated or taken. In the event of such termination, both Landlord and Tenant shall thereupon be released from any liability thereafter accruing hereunder. The Landlord agrees immediately after learning of any appropriation or taking to give to the Tenant notice in writing thereof.

If this Lease is terminated in either manner hereinabove provided, the Landlord shall be entitled to the entire award or compensation in such proceedings, but the rent and other charges for the last month of the Tenant's occupancy shall be prorated and the Landlord agrees to refund to the Tenant any rent or other charges paid in advance. The Tenant's right to receive compensation or damages for its fixtures and personal property shall not be affected in any manner hereby.

However, Tenant shall be entitled to any condemnation award it is awarded in any action it brings on its own behalf due to a condemnation.

If both Landlord and Tenant elect not to so terminate this Lease, Tenant shall remain in that portion of the premises which shall not have been appropriated or taken as herein provided, or in the event less than twenty-five percent (25%) of the square footage of Floor Area of the premises shall be appropriated under the power of eminent domain by any public or quasi-public authority, and the remainder thereof is an undivided parcel of property, then in either such event the Landlord agrees, at the Landlord's cost and expense, to restore, as soon as reasonably possible, the premises on the land remaining, to a complete unit of like quality and character as existed prior to such appropriation or taking; and thereafter the minimum annual rental provided for in Article 1 hereof shall be reduced on an equitable basis, taking into account the relative value of the portion taken as compared to the portion remaining; and the Landlord shall be entitled to receive the total award or compensation in such proceedings.

For the purposes of this Article 20, a voluntary sale or conveyance in lieu of condemnation, but under threat of condemnation, shall be deemed an appropriation or taking under the power of eminent domain.

Article 21
ATTORNEY'S FEES

In the event that at any time during the term of this Lease either the Landlord or the Tenant shall institute any action or proceeding against the other relating to the provisions of this Lease, or any default hereunder, then, and in that event, the unsuccessful party in such action or proceeding agrees to reimburse the successful party for the reasonable expenses of attorneys' fees and disbursements incurred therein by the successful party. The attorney fees shall be limited to \$2,000.00.

Article 23

SUBORDINATION - ATTORNMENT

Upon written request of the Landlord, or any mortgagee or beneficiary of Landlord, Tenant will in writing subordinate its rights hereunder to the interest of any ground lessor of the land upon which the premises are situated, as well as the lien of any mortgage or deed of trust, now or hereafter in force against the land and building of which the premises are a part, and upon any building hereafter placed upon the land of which the premises are a part, and to all advances made or hereafter to be made upon the security thereof.

The provisions of this Article to the contrary notwithstanding, and so long as Tenant is not in default hereunder, this Lease shall remain in full force and effect for the full term hereof.

In the event any proceedings are brought for foreclosure, or in the event of the exercise of the power of sale under any mortgage or deed of trust made by the Landlord covering the premises, the Tenant shall attorn to the purchaser upon any such foreclosure or sale and recognize such purchaser as the Landlord under this Lease, provided that the purchaser shall acquire and accept the premises subject to this Lease.

Within ten (10) days after written request therefore by Landlord, or in the event that upon any sale, assignment or hypothecation of the premises or the land thereunder by the Landlord, an offset statement shall be required from Tenant, Tenant agrees to deliver in recordable form a certificate addressed to any such proposed mortgagee or purchaser or to the Landlord certifying that this Lease is in full force and effect (if such be the case) and that there are no defenses or offsets thereto or stating those claimed by Tenant.

Article 24

CAPTIONS AND TERMS

The captions of Articles of this Lease are for convenience only, are not a part of this lease and do not in any way limit or amplify the terms and provisions of this Lease. Except, as otherwise specifically stated in this lease, "the term" shall include the original term and any extension, renewal or holdover thereof.

If more than one person or corporation is named as Landlord or Tenant in this Lease and executes the same as such, then and in such event, the words "Landlord" or "Tenant" wherever used in this Lease are intended to refer to all such persons or corporations, and liability of such persons or corporations for compliance with and performance of all the terms, covenants and provisions of this Lease shall be joint and several. Article 25

Wherever in this Lease it shall be required or permitted that notice or demand be given or served by either party to this Lease to or on the other, such notice or demand shall be given or served, and shall not be deemed to have been duly given or served unless in writing and forwarded by certified or registered mail, addressed to the addresses of the parties specified in Article 1 hereof. Either party may change such address by written notice by certified or registered mail to the other.

Any notices Landlord is required or authorized to deliver to Tenant in order to advise Tenant of alleged violations of Tenant's covenants contained in this lease must be in writing but shall be deemed to have been duly given or served upon Tenant by delivering a copy of such notice to one of Tenant's managing employees at the premises and by mailing a copy of such notice to Tenant by certified mail.

Article 26 **OBLIGATIONS OF SUCCESSOR**

The parties hereto agree that all the provisions hereof are to be construed as covenants and agreements as though the words importing such covenants and agreements were used in each separate paragraph hereof, and all of the provisions hereof shall bind and inure to the benefit of the parties hereto, and their respective heirs, legal representatives, successors and assigns.

Article 27 **SECURITY DEPOSIT**

A. Tenant shall pay to Landlord the sum specified in Article 1 hereof as a "Security Deposit". Said deposit shall be held by Landlord without liability for interest, as a security deposit for the faithful performance by Tenant of all the terms of the Lease by said Tenant.

B. If any of the rents herein reserved or any other sum payable by Tenant to Landlord shall be overdue and unpaid or should Landlord make payments on behalf of the Tenant, or Tenant shall fail to perform any of the terms of this Lease, then Landlord may have on account thereof, appropriate and apply said entire deposit or so much thereof as may be necessary to compensate Landlord toward the payment of rent or additional rent or loss or damage sustained by Landlord due to such breach on the part of Tenant; and Tenant shall forthwith upon demand restore said security to the original sum deposited. Should Tenant comply with all of said terms and promptly pay all of the rentals as they fall due and all other sums payable by Tenant to Landlord, said deposit shall be returned in full to Tenant at the end of the term. If Landlord claims deductions against the security deposit, then Landlord and Tenant agree that the remaining deposit shall be returned to Tenant no later than twenty one (21) days after Landlord receives possession of the premises.

C. In the event of bankruptcy or other debtor-creditor proceedings against Tenant, such security deposit shall be deemed to be applied first to the payment of rent and other charges due Landlord for all periods prior to filing of such proceedings.

D. Landlord may deliver the funds deposited hereunder by Tenant to the purchaser of Landlord's interest in the premises in the event that such interest be sold and thereupon Landlord shall be discharged from any further liability with respect to such deposit, and this provision shall also apply to any subsequent transferees.

Article 28 **MISCELLANEOUS**

COPY

A. It is agreed that nothing contained in this Lease shall be deemed or construed as creating a partnership or joint venture between Landlord and Tenant or between Landlord and any other party, or cause Landlord to be responsible in any way for the debts or obligations of Tenant, or any other party.

B. It is agreed that if any provision of this Lease shall be determined to be void by any court of competent jurisdiction, then such determination shall not affect any other provision of this Lease and all such other provisions shall remain in full force and effect; and it is the intention of the parties hereto that if any provision of this Lease is capable of two constructions, one of which would render the provision void and the other of which would render provision valid, then the provision shall have the meaning which renders it valid.

C. In the event the Tenant hereunder shall be a corporation, the persons executing this Lease on behalf of the Tenant hereby covenant and warrant that the Tenant is a duly qualified corporation and all steps have been taken prior to the date hereof to qualify Tenant to do business in the State where the premises is situated; all franchise and corporate taxes have been paid to date; and all future forms, reports, fees and other documents necessary to comply with applicable laws will be filed when due. Further that the person executing this agreement represents that they have specific authority from the corporation to do so.

D. It is understood that there are no oral agreements between the parties hereto affecting this Lease, and this Lease supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the parties hereto or displayed by Landlord to Tenant with respect to the subject matter thereof, and none thereof shall be used to interpret or construe this Lease. Any amendments or modifications to the Lease must be in writing, executed by both Landlord and Tenant, in order to be effective and binding.

E. Landlord reserves the absolute right to affect such other tenancies in the premises as Landlord, in the exercise of its sole business judgment, shall determine to best promote the interests of the premises. Tenant does not rely on the fact, nor does Landlord represent, that any specific Tenant or number of tenants shall during the term of this Lease occupy any space in the premises. This Lease is and shall be considered to be the only agreement between the parties hereto and their representatives and agents. All negotiations and oral agreements acceptable to both parties have been merged into and are included herein. There are no other representations or warranties between the parties and all reliance with respect to representations is solely upon the representations and agreements contained in this document.

F. The laws of California shall govern the validity, performance and enforcement of this Lease. Although the printed provisions of this Lease were drawn by Landlord, this Lease shall not be construed either for or against Landlord or Tenant, but this Lease shall be interpreted in accordance with the general tenor of the language in an effort to reach an equitable result. Venue for any legal action shall be in Stanislaus County.

G. Landlord's consent to, or approval of, any act by Tenant requiring Landlord's consent or approval shall not be deemed to waive or render unnecessary Landlord's consent to or approval of any subsequent similar act by Tenant.

H. Any prevention, delay or stoppage due to strikes, lockouts, labor disputes, acts of God, inability to obtain labor or materials or reasonable substitutes therefore, governmental restrictions, governmental regulations, governmental controls, judicial orders, enemy or hostile governmental action, civil commotion, fire or other casualty, and other causes beyond the reasonable control of the party obligated to perform, shall excuse the performance by such party for a period equal to any such prevention, delay or stoppage, except the obligations imposed with regard to rental and other charges to be paid by Tenant pursuant to this Lease.

- 18 -

I. Tenant hereby expressly waives any and all rights or redemption granted by or under any present or future laws in the event of Tenant being evicted or dispossessed for any cause, or in the event of Landlord obtaining possession of the premises by reason of the violation by Tenant of any of the covenants and conditions of this Lease or otherwise. The rights given to Landlord herein are in addition to any rights that may be given to Landlord by any statute or otherwise.

J. The Tenant herein covenants by and for himself his heirs, executors, administrators and assigns and all persons claiming under or through him, and this Lease is made and accepted upon and subject to the following conditions: That there shall be no discrimination against or segregation of any person or group of persons on account of race, sex, marital status, color, creed, national origin or ancestry, in the subleasing, transferring, use, occupancy, tenure or enjoyment of the premises herein leased, nor shall the Tenant himself, or any person claiming under or through him establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessee, subtenants or vendees in the premises herein leased.

K. If Landlord shall fail to perform any covenant, term or condition of this Lease upon Landlord's part to be performed and, as a consequence of such default, Tenant shall recover a money judgment against Landlord, such judgment shall be satisfied only out of the proceeds of rents or other income from such property receivable by Landlord or out of the consideration received by Landlord from the sale or other disposition of all or any part of Landlord's right title and interest in the premises site, and neither Landlord nor any of the individuals or entities comprising the Landlord, shall be liable for any deficiency.

Landlord shall not be liable for any damage done or occasioned by or from the electrical system, the heating or air conditioning system, the plumbing and sewer systems in, upon or about the Premises or the building of which the Premises are a part, nor for damages occasioned by water, snow or ice being upon or coming through the roof, trapdoor, walls, windows, doors or otherwise, nor for any damage arising from acts of negligence of Co-Tenants or other occupants of the building or buildings of which the Premises may be a part, or the acts of any owners or occupants of adjoining or contiguous properties; and furthermore, Landlord shall not be liable for any damage occasioned by reason of the construction of the Premises or for failure to keep the Premises in repair, unless Landlord is obligated to make such repairs under the term hereof, and unless notice of the need for repairs has been given to Landlord, a reasonable time has elapsed and Landlord has failed to make such repairs.

In any event, Landlord shall not be liable for any damage to Tenant's leasehold improvements, fixtures, or merchandise resulting from fire or other insurable hazards, regardless of the cause thereof, and Tenant hereby releases Landlord from all liability for such damage.

L. The submission of this Lease to Tenant shall be examination purposes only and does not and shall not constitute a reservation of or option for Tenant to lease, or otherwise create any interest by Tenant in, the Premises or any other premises situated in the premises. Execution of this Lease by Tenant and return to Landlord shall not be binding upon Landlord, notwithstanding any time interval, until Landlord has in fact executed and delivered an executed copy of this Lease to the Tenant.

M. Tenant warrants that it has not had any dealings with any realtor, broker, or agent, in connection with the negotiation of this Lease, and agrees to pay and to hold Landlord harmless from any cost, expense or liability for any compensation, commission, or charges claimed by any realtor, broker, or agent, with respect to this lease or the negotiation of this Lease.

N. Landlord and Tenant hereby waive their respective right to trial by jury of any cause of action, claim, counterclaim or cross-complaint in any action, proceeding and/or hearing brought by either party on any matter whatsoever arising out of, or in any way connected with, this lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Premises, or any claim of injury or damage, or the enforcement of any remedy under any law, statute, or regulation, emergency or otherwise, now or hereafter in effect.

AS (Tenant to initial) SR (Landlord to initial)

O. Tenant shall fully release and indemnify Landlord and Landlord's legal representatives, assigns, and agents, partners, and owners, from all liability, rights, claims, interests and causes of action which are brought against Landlord as a result of any actions or conduct of Tenant or that are brought as a result of Tenant's business or tenancy. This shall include any attorney fees or other costs incurred which Landlord may incur.

INDEMNITY AGREEMENT FOR LAND USE ENTITLEMENT PROCESSING

THIS INDEMNITY AGREEMENT FOR LAND USE ENTITLEMENT PROCESSING (“Agreement”) is made and entered into on this ____ day of _____ 20__, (“Effective Date”) by and between the City of Riverbank, a California municipal corporation (“City”) and Pacafi Cooperative, Inc. DBA Flavors (“Applicant”). City and Applicant may be referred to herein individually as a “Party” or collectively as the “Parties”. There are no other parties to this Agreement.

RECITALS

A. In 1996, the people of the state of California approved Proposition 215, the Compassionate Use Act of 1996 (“CUA”). The CUA enables seriously ill Californians to legally possess, use, and cultivate marijuana for medical use under state law. In 2003, the California Legislature adopted Senate Bill 420, entitled the Medical Marijuana Program (“MMP”), which authorizes qualified patients and their primary caregivers to cultivate marijuana for medical purposes without being subject to criminal prosecution under the California Penal Code.

B. On October 9, 2015, Governor Jerry Brown signed three bills into law (Assembly Bill 266, Assembly Bill 243, and Senate Bill 643) which are collectively referred to as the Medical Cannabis Regulation and Safety Act (“MCRSA”). MCRSA establishes a statewide regulatory system for the cultivation, processing, transportation, testing, manufacturing, and distribution of medical marijuana to qualified patients and their primary caregivers.

C. On November 8, 2016, California voters passed Proposition 64, the Adult Use of Marijuana Act (“AUMA”). AUMA legalizes the cultivation, commercial sale, and possession of recreational cannabis for adults age 21 and older.

D. On June 27, 2017, Governor Jerry Brown signed into law the Medicinal and Adult-Use Cannabis Regulation and Safety Act (“MAUCRSA”), which created a single regulatory scheme for both medicinal and adult-use cannabis businesses. MAUCRSA retains the provisions in the MCRSA and AUMA that granted local jurisdictions control over whether businesses engaged in commercial cannabis activity may operate in a particular jurisdiction.

E. Riverbank Municipal Code (“R.M.C.”) Chapter 120 authorizes cannabis businesses to operate within the City under specified restrictions pursuant to a Cannabis Pilot Program.

F. Applicant intends to improve, develop, and use real property to operate a cannabis dispensary business within the City (the “Project”) in strict compliance with MAUCRSA and R.M.C. Chapter 120. Applicant must obtain certain land use entitlements including a Development Agreement and a conditional use permit (“Land Use Entitlements”) prior to initiating the Project.

G. Applicant has an agreement to lease that certain real property located in the City of Riverbank, identified as Stanislaus County Assessor’s Parcel Number 075-026-044 (the “Property”), shown on **Exhibit A** attached hereto (“Property Description”).

H. As a condition of approval of the Land Use Entitlements, City has required Applicant to enter into this Agreement.

I. It is in the public interest for City and Applicant to enter into this Agreement, as Applicant will benefit from City’s processing of the Project.

J. Applicant desires to enter into this Agreement to fulfill a condition of approval of the Project, which is a prerequisite for construction of the Project.

AGREEMENT

NOW, THEREFORE, in consideration of the promises, covenants and agreements set forth below, the Parties agree as follows:

Section 1. Recitals. The recitals set forth above (“Recitals”) are true and correct and are hereby incorporated into and made part of this Agreement by this reference. In the event of any inconsistency between the Recitals and Sections 1 through 19 of this Agreement, Sections 1 through 19 shall prevail.

Section 2. Applicant’s Indemnification Obligations.

2.1. Indemnification for Land Use Entitlements. To the fullest extent permitted by law, Applicant shall indemnify, and hold harmless City and its agents, elected and appointed officials, officers, employees, and volunteers (collectively, “City’s Agents”) from any and all liability arising out of a claim, action, or proceeding against the City, or City’s Agents, to attack, set aside, void, or annul, an approval concerning the Land Use Entitlements by reason of the action or inaction of City, or City’s Agents. Applicant’s duty to indemnify and hold harmless shall not extend to any claim, action or proceeding arising from the gross negligence or willful misconduct of City, or City’s Agents.

Applicant’s obligations under this Agreement to indemnify City shall apply to any claim, lawsuit or challenge against City brought against the Project, specifically including, but not limited to, any

legal challenge based on the California Environmental Quality Act, codified in California Public Resources Code section 21000 et seq.; actions or proceedings brought to challenge the validity of environmental documents prepared in conjunction with the approval of the Project or Land Use Entitlements, or the requirements of any other federal, state, or local laws, including, but not limited to, general plan, specific plan, and zoning requirements.

2.2. Tender of Defense. Upon receiving notice of a claim and pursuant to Article 6 of the Land Use Entitlements, Applicant shall assume the defense of the claim, action, or proceeding through the prompt payment of all attorneys' fees and costs, incurred in good faith and in the exercise of reasonable discretion, of City's counsel in defending such an action. Regardless of whether Applicant chooses to defend City pursuant to Section 6.4 of the Land Use Entitlements, City shall have the absolute and sole authority to control the litigation and make litigation decisions, including, but not limited to, selecting counsel to defend City and settlement or other disposition of the matter.

2.3. Deposit for Costs. Applicant shall make a refundable deposit to the City within thirty (30) days of written notification from the City ("**Cost Deposit**"), to cover the estimated fees and costs associated with the City's defense of any claim, action or proceeding. Applicant shall make any and all additional payments to City to replenish the Cost Deposit within thirty (30) days of written notice from City.

2.4. Failure to Indemnify; Waiver. Failure to indemnify City, when required by this Agreement, shall constitute a material breach of this Agreement and of the Land Use Entitlements, which shall entitle City to all remedies available under law including, but not limited to, specific performance and damages. Failure to indemnify shall constitute grounds upon which City may rescind its approval of the Land Use Entitlements. Applicant's failure to indemnify City shall be a waiver by Applicant of any right to proceed with the Project, or any portion thereof, and a waiver of Applicant's right to file a claim, action or proceeding against City or City's Agents based on City's rescission or revocation of the Land Use Entitlements, or City's failure to defend any claim, action or proceeding based on Applicant's failure to indemnify City.

2.5. Satisfaction of Judgment. With respect to any claims, demands, acts, causes of action, damages, costs, expenses, settlements, losses or liabilities which Applicant has indemnified City against, Applicant shall pay and satisfy any judgment, award, settlement or decree that may be rendered or agreed against City and City's Agents arising out of any final, non-appealable judicial or administrative action.

2.6. Payment of Costs and Fees. Applicant's obligations under this Agreement to defend and indemnify City shall include, but not be limited to, payment of all court costs and attorneys' fees, all litigation-related costs, all costs of any judgments or awards against City, or all settlement costs which arise out of City's processing or approval of the Project.

2.7. Continuing Obligation. Applicant shall be and remain personally obligated to all of the terms of this Agreement, notwithstanding any attempt to assign, delegate or otherwise

Section 3. City's Obligations. City shall notify Applicant of any claim, action or proceeding within ten (10) business days of receiving service of any claim, action or proceeding. If City fails to notify Applicant of any claim, action, or proceeding, Applicant shall not, thereafter, be responsible to defend, indemnify, or hold harmless City. City shall have and retain, in its sole discretion, the right to not participate in the defense of any claim, action, or proceeding. At its sole discretion, the City may participate at its own expense in the defense, but such participation shall not relieve Applicant of any obligation imposed by this Agreement.

WHEREAS, environmental impacts for the Project have been reviewed and assessed by the City pursuant to the California Environmental Quality Act ("CEQA") (Public Resources Code section 21000 et seq.; California Code of Regulations Title 14, section 15000 et seq.), and the City determined the Project site is categorically exempt from CEQA pursuant to Section 15301 of Title 14 of the California Code of Regulations applicable to existing facilities involving no expansion of the facility; and

Approve the Final Map (“FM”) for the Dadesho property based on the required finding that the map is in conformity with the provisions of subdivision law and city code.

BACKGROUND:

On February 16, 2021, the Planning Commission with a 5-0 vote, approved Tentative Parcel Map 02-2020 (Attachment 2) to subdivide an existing 4.78-acre site into two lots consisting of Parcel 1- 1.76 acres and Parcel 2 - 3.0 acres at 2173 Morrill Road. There were no other entitlements requested. The applicant will continue to live on Parcel 1 and is working to sell Parcel 2 for a future subdivision. Conditions of approval require an accessory structure to be removed from the rear setback. The Final Map (Exhibit A) is attached to the Resolution.

Pursuant to Riverbank Municipal Code Section §152.074 (C)(2), the City Council shall, at the meeting at which it receives the map or at its next regular meeting after the meeting at which it receives the map, approve the map if it is determined to be in conformity with the provisions of law and of this chapter. The Council shall disprove the map if it is determined not to be in conformity with the provisions of law and of this chapter and shall advise the subdivider of its disapproval, and the reason or reasons thereof.

The City Engineer and Planning and Building Manager have reviewed the final map and have determined that the plans are in substantial compliance with city standards and with the conditions placed upon the tentative parcel map.

RIVERBANK CITY COUNCIL AGENDA ITEM NO. 10.2

SECTION 10: NEW BUSINESS

Meeting Date: May 11, 2020

Subject: A **Resolution** Authorizing the Appropriation of an Amount Not to Exceed \$25,000 from the Public Benefit Fund for the Cost to Repair Exterior Dry Rot and Repaint the Historical Riverbank Museum Building at 3237 Santa Fe Street

Submitted by: Sean Scully, City Manager

RECOMMENDATION

It is recommended that the City Council consider the proposed resolution appropriating an amount not to exceed \$25,000 from the Public Benefit Fund and directing staff to contract with an appropriate contractor for the repainting and dry rot repair of the Riverbank Historical Museum at 3237 Santa Fe Street.

SUMMARY

In 1921 with funding from the Carnegie Foundation and the local community the building that now houses the museum was built at 3237 Santa Fe St (at that time it was built and operated as Carnegie library). In 1994 the building become the Riverbank Museum and in 1996 the building was placed on the National Register of Historic Places. To date, it is the only building within Riverbank which exists on the National Register of Historic Places. Additionally, the Riverbank Museum building is one of the few original Carnegie Library buildings that still exists locally. Since 1994 the property has been maintained by the City of Riverbank and operated as a museum through a partnership with the Riverbank Historical Society.

In June the Museum building will celebrate 100 years since it was first constructed. The Historical Society Plan to erect a “little free library” toward the front of the museum property which will be designed as a replica of the original structure. The Historical Society plans to hold a limited event to recognize the 100-year anniversary. In recent years it has become apparent that the Museum is in dire need of a new paint job and replacement of certain areas of dry rot on the structure. In advance of the 100-year anniversary event, staff obtained preliminary quotes for the painting and dry rot repair of the building. Staff had planned to budget for these items in the FY 21/22 budget. However, given that the 100-year anniversary of the museum will occur prior to the start of the new fiscal year the Historical Society has submitted a request to the City Council to consider funding (out of the public benefit fund) an amount not to exceed \$25,000 for

the painting and dry rot repair of the museum building to have it completed in advance of the 100-year anniversary date.

Given that this is a City building, staff will need to obtain two additional quotes and contract for the work to be completed. Initial estimates were approximately \$12,000 in cost for painting the structure and roughly the same amount (\$12,000) for dry rot repair. The dry rot repair cost may be less depending on the extend of the dry rot that exists on the building which cannot be fully known until the evident areas are removed for replacement. If Council would like to move forward with funding this request, staff will ensure that the work completed complies with any and all guidelines related to retaining/maintaining the historical places register in place currently.

FUNDING OPTIONS:

If Council is interested in funding this project in advance of considering the project for the 21/22 fiscal year budget, Council may choose to fund the project from two specific funds. The first would be the public benefit fund, the policy with regard to the public benefit fund was amended by the City Council in November of 2020. The amended policy states that “one-time strategic capital expenditures in support of public safety and public services or recreation (i.e. providing enhanced service options and activities)”. This project would be a onetime capital expenditure in support of public services (museum is a public resource available to the community). This project would require Council approval of public benefit funds per the updated policy.

Alternatively, the Council could choose to direct appropriation of funds from the General Fund reserve. The General Fund reserve can be allocated to any number of purposes at the discretion of the City Council.

FINANCIAL IMPACT

If Council chooses to fund this project this fiscal year from the public benefit fund the impact would be a reduction of an amount not to exceed \$25,000 from the current public benefit fund balance which is approximately \$1.7 million. Alternatively, if the Council chooses to fund this improvement from the general fund reserve, the impact would be a reduction in the current \$3.6 million general fund reserve balance.

RIVERBANK CITY COUNCIL AGENDA ITEM NO. 10.3

SECTION 10: NEW BUSINESS

Meeting Date:	May 11, 2021
Subject:	Community Meeting – A Resolution of Concurrence and Support for the Approval of the Fiscal Year 2021-2022 Annual Action Plan (AAP)
From:	Sean Scully, City Manager
Submitted by:	Marisela H. Garcia, Assistant City Manager/Director of Finance

RECOMMENDATION

It is recommended that the City Council open the Community Meeting, accept Public Comment, and consider adopting a Resolution of Concurrence and support for the approval of the Fiscal Year 2021-2022 Annual Action Plan (AAP). A public notice announcing the community meeting to receive public comments was published in English and Spanish on May 5, 2021 in the Riverbank News.

SUMMARY

The adoption of the Annual Action Plan (AAP) is a requirement of the U.S. Department of Housing and Urban Development (HUD) for jurisdictions that receive and administer certain HUD block grants on an entitlement basis.

BACKGROUND

In June 2019, the City became part of the Stanislaus County Urban County ("Urban County") and HOME Consortium for a direct allocation of Community Development Block Grant (CDBG) and HOME Investment Partnership funding from the federal Department of Housing and Urban Development (HUD). Every year the Urban County and HOME Consortium (managed by the City of Turlock) are required to prepare an Annual Action Plan which discusses the projects that will be undertaken by the entities in the Urban County and the Consortium. It is recommended that the City Council hold a Community Meeting to accept public comments on the Draft Annual Action Plan and consider adoption of a Resolution of Concurrence.

The City is only permitted to use this funding within census tracts that reflect a 51% or greater low/moderate income level. The following gray-shaded areas reflect those census tracts where projects may be undertaken:

Status of the Fiscal Year 2020-2021 Annual Action Plan (AAP)

For Fiscal Year 2020-21, the City programmed its funding for the Castleberg Park Trail & ADA upgrades. The City is working with the County in order to complete the necessary Environmental Review process required by HUD. In addition, the scope of the project will require additional funding sources (over and above the Consortium funding) in order to be completed to our specifications and needs.

Fiscal Year 2021-2022 Annual Action Plan (AAP)

The AAP is an integral component of the Urban County's Consolidated Plan, and describes the specific programs and projects that will be undertaken during Fiscal Year 2021-2021. In February 2020, HUD announced the Fiscal Year 2020-2021 official program allocations. The Stanislaus Urban County CDBG and ESG combined allocation will be:

For Fiscal Year 2021-22 the City will receive a total allocation of **\$173,758**, with \$16,842 of that for administration purposes. This funding will be reserved in order to complete the following water project in Fiscal Year 2022-23:

Project	Location	Cost Estimate
Water Line Installation	In Alley on Riverside from Corporation Yard to 4 th Street	\$325,000
Total FY 2021-22 & FY 2022-23		\$325,000

STRATEGIC PLAN

This report is in conformance with the City of Riverbank's Strategic Plan goal to "Maintain a High Quality of Life".

FINANCIAL IMPACT

For Fiscal Year 2021-22, the City will receive approximately \$173,758 in CDBG funds for infrastructure projects. These funds will be combined with the FY 2022-23 allocation (yet to be determined) to complete the water line installation.
